New Information

HOSA will be taking their group photo for the yearbook today, Thursday at the beginning of lunch on the grass area next to the library. Be there!

February is Teen Dating Violence Awareness Month and Gridley High School is partnering with Catalyst Domestic Violence Services to help spread that awareness to our students. Catalyst's fact of the day is: in 2 teens in a dating relationship say they've compromised their beliefs to please their partner. It's important to know what your values are so that you know when you are compromising too much. Values are the things that are most important to us - like honesty, integrity, curiosity, and respect. We should have at least some values in common with our dating partner. Values may change over time, but our dating partners should always respect our values and we should not compromise the things that are most important to us.

Interested in joining a trade union after high school? Union Apprenticeship Construction Trades Day is April 21st in Marysville. 12 different trade unions set up their booths like a job fair and give kids some hands-on experience and work towards their futures. If you are interested please sign up in the main office and grab a permission slip.

Attention seniors: if you signed up for the Disney grad. trip, it is time to start thinking about who you want to room with on the trip. If you do not sign up, you will be assigned roommates.
