## Advice from Staff

**Mrs. Burresch:** My biggest piece of advice to students would be that if students didn't take advantage of the resources the school has to offer during the first semester that they take advantage of it this semester. Such as tutoring after school Mon-Thu in room 509, and going into class during lunch.

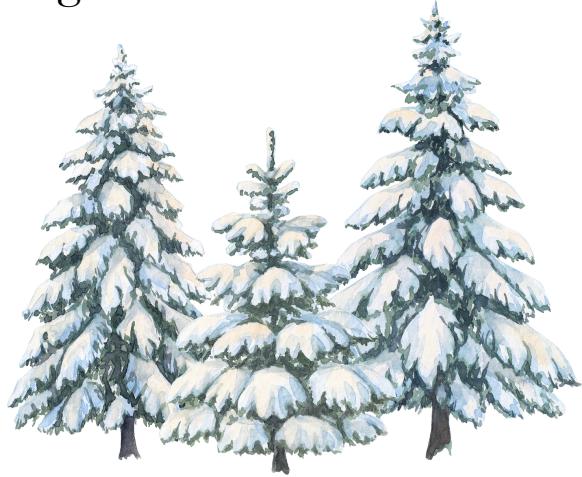

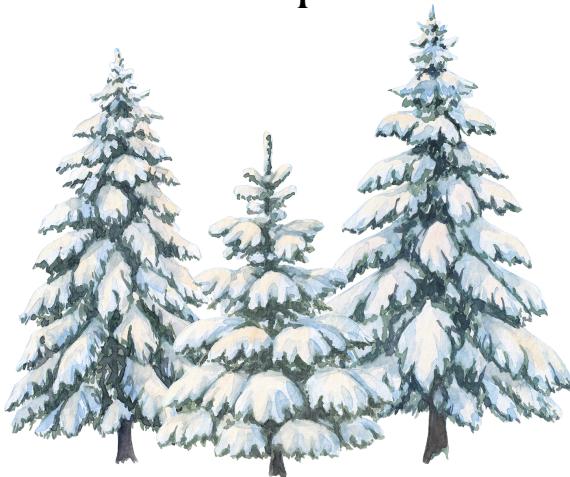

**Mr Barajas:** Biggest piece of info is to make sure you are cautious and aware of getting an A, B, or C in all of your a-g classes. If you happen to have a C- or lower, don't drop to an F so you can avoid taking summer school. Finally, take advantage of finishing credits through Cyber High before we switch programs.

# The Snow Ball

This year we're hosting our first annual winter formal: The Snow Ball! The dance will be on Saturday, February 7<sup>th</sup> from 8-11 PM in the gym.
