

THE DAILY DAWG

Dawg Squad Shoutout!

During the first home football game, the spirit leaders encouraged everyone in the Dawg Squad to scream and cheer on the football players. Both teams collected big wins on Friday, with J.V. defeating U-Prep 48-0 and Varsity winning 24-6! Great job everyone, we hope to see you all out there at our next home game!

The next home football game is September 26th - homecoming!

Introducing Our Spirit Leaders!

Our Spirit Leaders main goal is to pump up the crowd and make sure everyone is fully engaged and enthusiastic at all the sports games. Spirit leaders are the heartbeat of the student section. They're the ones leading the cheers, starting the chants, and getting the crowd on its feet.

Introducing all of our Spirit Leaders, starting with the ladies: Luna Corriea, Destiny Hutchison, Osirys Gonzalez, Aida Duran, and Alina Jackson. The boys: Rene Mellin, AB Lopez, Omar Palafox Zavala, Carlos Sanchez Vega, and Valentin Sanchez. Feel free to say hi!

Welcoming Some New Staff

Ms. Erickson

I teach Math (IM1, IM2A, Adv. Math Honors)

This is my first year teaching.

I was born and raised in Gridley. I coached college volleyball for 3 years before I became a teacher. I played indoor and beach volleyball for four years in college.

I am most excited to be able to teach every grade level this year, and be able to go to sporting events to support all GHS students!

Ms. Sanders

CTE- Health Pathways

this is my 1st year teaching Health Pathways and first year at Gridley, but I have subbed and taught math the last 3 years at Paradise High School. I love playing softball, camping and spending time at the lake. I have a dog named Kimber, who wishes she could come to work with me! I am so looking forward to getting to know all of the students here at Gridley High School. This is a very exciting opportunity for me to be able to teach something that I love. I hope to inspire others interested in the healthcare industry with my experience.

First Flag Football Game on Monday

We are all so excited to watch the Flag Football girls play in their first home game on Monday of next week! The girls will take on Center High School from Antelope at 6 PM on the football field. We'd love to have a big crowd out to support the girls in their first competition of the season.

Quarterback Delanie Cloyd is hoping to lead the girls in their first victory of the season.
Good luck ladies!
