

**NOTICE OF PLANNED CLOSURE OF PUBLIC PROPERTY/ENFORCEMENT OF CAMPING ORDINANCES TO
LEGAL SERVICES OF NORTHERN CALIFORNIA ("LSNC")**

This notice serves as the required notice of the City's planned closure of public property / enforcement of its Anti-Camping Ordinances and Regulations pursuant to Paragraph 10(c) of *Warren, et al. v. City of Chico, et al.* Settlement Agreement.

Location of Public Property 1: Little Chico Creek, from Bruce Road to Pomona Avenue, as indicated on the attached Little Chico Creek Map.

The City has determined there are ten (10) people camping at this location. Of those people, seven (7) have been assessed during a prior enforcement operation. Those seven (7) persons should not be included in the count because they have already refused shelter or have been exited from a shelter due to behavioral problems. Further, there are seventeen (17) abandoned or unoccupied campsites at this location.

Location of Public Property 2: Comanche Creek, as indicated on the attached Comanche Creek Map.

The City has determined there are ten (10) people camping at this location. Of those people, eight (8) have been assessed during a prior enforcement operation. Those eight (8) persons should not be included in the count because they have already refused shelter or have been exited from a shelter due to behavioral problems. Further, there are eight (8) abandoned or unoccupied campsites at this location.

Location of Public Property 3: The bike path between Skyway and East 20th Street, as indicated on the attached Bike Path Map.

The City has determined there are two (2) people camping at this location. Of those people, one (1) has been assessed during a prior enforcement operation. That one (1) person should not be included in the count because they have already refused shelter or have been exited from a shelter due to behavioral problems. Further, there are zero (0) abandoned or unoccupied campsites at this location.

The City will provide the "7-DAY NOTICE OF CLOSURE OF PUBLIC PROPERTY/ENFORCEMENT OF CAMPING ORDINANCES" to all Homeless Persons at this location on October 9, 2025. *Further, the City requests LSNC meet with the Target Team to verify counts and confirm the location of enforcement prior to October 9, 2025. If LSNC disagrees with the City's count and contends there are too many people camping at these locations than there are beds available, the City proposes beginning enforcement operations and will stop enforcing on persons at this location who cannot enter shelter because one of the shelters has become fully occupied.*

The City has determined there are twenty-eight (28) available Pallet Shelters. Five (5) of those Pallet Shelters are available ADA units.

The City has determined there are twenty-one (21) available beds at the Torres Community Shelter. Twelve (12) of those beds are in the men's dorm, seven (7) are in the women's dorm, and two (2) are in the overflow dorm.
