If any changes to these current transportation arrangements are needed the parent must notify the school three days in advance. After approval from the school, the student will be issued a "Permission to Ride" form to be given to the bus driver. If your request cannot be accommodated your child may be delivered to the Eagles Nest.

If we do not receive this completed form, it will be assumed that your child will be riding their assigned bus to their assigned stop on a daily basis. Students and Stops will be removed from bus rosters if they do not ride the bus for 20 consecutive days. You must notify the Transportation Department before bus transportation may resume.

I understand that I/we are obligated to file a new application if we change any of the information on this form. I also understand the rules for safe bus riding and accept the responsibility to ensure my children understand and abide by those rules.
