Dear AAE Elementary Families,

Welcome to the 2026–2027 school year! My name is Brandi Williams, and I am honored to begin my third year as the Elementary Vice Principal at the Academy for Academic Excellence. It is a privilege to serve our incredible students, families, and staff, and I am excited for another year of learning, growth, and partnership.

For more than 28 years, I have been dedicated to education, serving as a teacher, dean, and administrator in both elementary and middle school settings. I hold a Master's Degree in Educational Administration from National University, a Multiple Subject Teaching Credential, and an Administrative Credential. I also earned my Bachelor of Arts in Political Science from California State University, Fullerton.

As I begin my third year at AAE, I continue to be inspired by the strong sense of community that makes our school so special. Our success is built on the partnerships we share with our families, dedicated staff, and supportive community. Together, we create a positive, inclusive environment where every child is encouraged to grow academically, socially, and emotionally.

My commitment is to ensure that every student feels safe, valued, and challenged to reach their full potential. I believe that students achieve their greatest success when they are supported by caring adults, engaging learning experiences, and a school culture that celebrates kindness, respect, and high expectations.

Communication and collaboration are essential to a successful school year, and I encourage families to stay connected and involved. Working together, we can provide the best possible educational experience for every student.

I am grateful for the opportunity to continue serving the AAE community and look forward to another wonderful year filled with learning, achievement, and memorable experiences. Thank you for your continued trust and partnership. Here's to an outstanding 2026–2027 school year!

Warmly,

Brandi Williams

Elementary Vice Principal

Academy for Academic Excellence
