## THANK YOU PARENT CLUB!!

A huge thank-you to our Parent Club for making it possible for Morgan Designs to bring this incredible 30-foot school mural to life! What an amazing way to celebrate our school community and create something truly special for our students to enjoy for years to come. We are so grateful for your support!

## FACEBOOK PAGE

Did you know we have a Cottonwood Creek Charter School private Facebook group?

This group is reserved for parents and guardians of current students so you must request to join and answer a question regarding the name and grade of your child attending our school. This is different from our public Facebook page. We post pictures and make announcements and it serves as a good place for parents to share and get information.
