Los problemas planteados en la reunión pueden programarse para otra reunión del SSC, según lo apruebe el consejo. El comentario público se limita generalmente a dos minutos por persona.

7. Unfinished Business Asunto Inconcluso	School Site Safety Plan	Chair	
8. New Business / Nuevos Negocios • School Safety Plan	For Safety Plan, review Section H pg. 13-20	Chair/Principal	<p>In December we reviewed components most critical to Dingle: 1. Emotional safety of students and 2. Physical safety of the campus. What is happening and what can be improved. That said the entire document belongs to Dingle and is under the purview of SSC.</p> <p>WJUSD has a legal obligation to provide educational services to students in the case of emergency. This is called an instruction continuation plan. During the break Mrs. Valencia met with Dr. Wilson and she provided the text that is standard for all the WJUSD sites. This component is now in the Dingle plan.</p> <ul style="list-style-type: none"> • ACTION ITEM: Mrs. Valencia will email a pdf file of the safety plan to SSC members so that

			<p>our LCAP representatives can review the instruction continuation plan and discuss with the LCAP collaborative if they so choose.</p> <p>Regarding physical safety: The areas of focus were bathrooms (behaviors and physical design) and playground (behaviors and monitoring staff)</p> <p>Amanda Lord mentioned there could be funding from community nonprofits like Stroll Through History that would be willing to support Dingle from a facilities perspective. Maestra Rojas suggested porta potties for recess for the older grades.</p> <ul style="list-style-type: none">● ACTION ITEM: Mrs. Valencia will reach out to our district maintenance director to understand the cost of a portable bathroom renovation. <p>Regarding the playground/noon-duty topic: When the Cool School project is completed next year we will need a noon duty supervising the new play structure area. The only area that will be removed as a part of the Cool Schools project is the blacktop. In terms of additions there will be an outdoor classroom area that can be used for PE, for example.</p> <p>Regarding Safe School Culture/Social-emotional skills. We discussed recognition of student growth because our school plan reviews academic achievement. We need to track who is at grade level (in addition to celebrating growth).</p> <p>Our ultimate goal is for students to be at grade level. To this end, there will be an iReady-specific assembly this semester. This assembly will include a parent information session before the awards assembly to ensure parents understand that recognition in growth is one component, but what is also important is that the child must be at grade level. Today 34% of Dingle is at grade level. If our iReady projections are accurate, 50% of Dingle will be at grade level at the end of this academic year (March/April).</p> <ul style="list-style-type: none">● There is an exciting opportunity to encourage reading fun the PTA is working on.● The council brainstormed ways to stave off the “summer slide”. Could materials (e.g. Summer Skills Sharpener) be provided to students at Dingle before the end of the school year? Could WJUSD partner with the City of Woodland to provide resources to the YMCA or summer camp care providers in the city?● This is the time to establish schedules/funding for ongoing reading activities (e.g. a book club). <p>Regarding the Dingle website, school Facebook and Instagram pages: our school CAFE specialist will be more responsible for updates ongoing, but in the case of emergency, official communication to families will come from Mrs. Valencia. This will be sent through ParentSquare.</p>
--	--	--	---

			<p>The safety committee meets monthly and the minutes, attendance and information is kept by Mrs. Valencia.</p> <p>Regarding school drills: Documentation is managed by Mrs. Valencia, with the district often onsite as well. All documentation is available upon request.</p> <p>Mrs. Valencia meets with the wellness team every Monday. This is an opportunity to discuss all students being supported. This is currently close to 70 students.</p> <p>Regarding attendance: Transportation is a major issue for our families. We need to have a staff member where kids can meet an adult to walk to school. This is under discussion between Mrs. Valencia and our Community School coordinator. There are currently 23 students with chronic absenteeism issues. Amanda Lord suggested the Bee Line partnership.</p> <p>Sarah Monley moved to approve the school site safety plan for 2025, seconded by Maestra Lozano. The motion approved unanimously.</p>
<p>9. Adjournment Cierre de junta</p>		<p>Chair</p>	<p>Meeting adjourned at 4:02 p.m.</p>

Prepared By: **Sarah Monley**
 Date: January 13 2026
