3. New Business-
   A. Intros and purpose of Site Council: Site Council is composed of balanced representation of all school stakeholders, including the principal, teachers, classified staff, parents and students.The Council reviews the School Safety Plan (fall) and the SPSA (spring), manages a budget, and evaluates and approves grant submissions.

   B. School Safety Plan: Dave gave an overview of the Safety plan and emphasized that the plan includes measures for physical safety, as well as social/emotional safety. This 172-page document is viewable on the SRVHS website

4. Principal's Report- New Goals: In addition to our four WASC goals, Charlie shared additional areas of emphasis.
   a. Staff will create Targeted Student Support periods
   b. Early Intervention: be proactive in the way we support students
   c. As a designated "Focus School" for math, we need to improve processes to support student learning and improve test scores.

   Student programs (SLAM, SSA, Community Matters): These student-driven clubs foster a sense of belonging and promote a healthy school climate. SLAM students visited CWMS this week to work with our future wolves.

5. Student Leadership Report- Volleyball plays MVHS tonight. This Friday's football game is a "pink-out" in support of breast cancer. Kickball starts soon
