

Senior Sunrise

To celebrate the first day of school, all of the seniors enjoyed their morning on the football field with breakfast, coffee and their friends as they watched the sun rise. Parents brought breakfast burritos, coffee, orange juice, and donuts. Seniors got to take pictures with one another to capture the memory of their last first day of high school.

Welcoming Some New Staff

Ms. Rose

I am teaching Advanced, Beginning, & Creative Art
This is my 2nd year teaching.
I graduated from UC Santa Cruz (Yay Banana Slugs!) with my Bachelors in Art & Psychology. Some of my favorite things are nature and animals.
I'm most excited about getting to know my students and building up relationships with them since I'm new to Gridley. I'm stoked to teach you all Art!

Mr. Johnson

My name is Torrin Johnson. I'm the new Social Emotional Learning (SEL) Counselor. This is my first time as a counselor, only because I just recently graduated from Chico State with my masters degree. I'm originally from the Bay Area and I am a HUGE sports fan. My main teams are the Golden State Warriors, the Las Vegas Raiders, and Manchester City. This year, I am the most excited to get to know the city of Gridley more and start making positive impacts on the community.

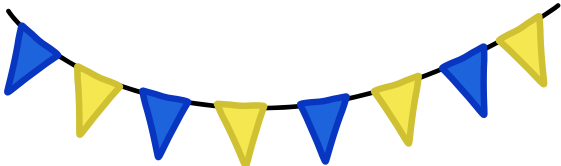

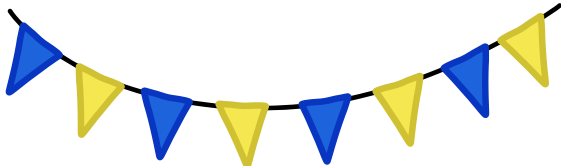

Home Football Game on Friday!

This Friday we have our welcome back rally and our first home football game against U-Prep. The theme for the Dawg Squad is "Extreme Blue & Gold." During the rally we will be giving out lots of blue and gold accessories that can be worn to the game. Make sure you're cheering to get the free stuff! Show off your school spirit and dress up for the Dawg Squad!

The Dawg Squad is trying something new this year! We're excited to announce the addition of spirit leaders who will help start the cheers for all home games (football, volleyball, basketball, etc.) These spirit leaders will be wearing blue cowboy hats as they help lead cheers - everyone be on the lookout for them! Would you like to be a spirit leader for a fall sport? See Mrs. Davidson in room 204 to learn more - all grades are welcome! You just need a great attitude and a willingness to be loud!

Introducing Our New Foreign Exchange Students

Alvaro Montoro Diaz

I am from Madrid, Spain. I'm a Junior this year. My sister was a foreign exchange student as well. I play padeo and soccer. I speak Spanish fluently. I plan to play soccer in the winter and tennis in spring. My goals for this year are to make lots of friends and have good grades.

Csaba Budai

I am from Hungary and I am a sophomore this year.

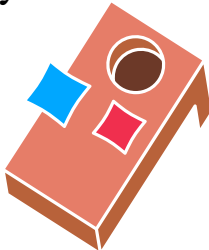

I enjoy robotics and playing piano. I go to the gym often and I plan to do swim. I speak German and Hungarian. My goals for this year are to experience the American life / culture and do FRC (First Robotic Competition).

Link Crew BBQ

All 9th graders are invited to Link Crew's 3rd Annual Freshman BBQ this Friday, August 29th at 4:30 pm to 5:30 pm before the 1st home football game. The BBQ will be in the grassy area by the locker rooms. The 1st 50 Freshmen to show up will receive a spirit pack for the game. Come enjoy Face painting, games, free spirit wear, free food, and free entry into the football game! Freshmen only!
