#### **OLD BUSINESS**

Reunification Processes from SRO (<https://iloveguys.org>) The committee received a copy of the guide we will be using to write the reunification plan. We discussed that Ben will be assisting as he is a trainer for this program.

Professional Development Needs: Ms. Davis and Ms. Campbell will survey the staff on what professional development they need to be comfortable with safety procedures. We'll share that at the April meeting.

No Parking Signs - We discussed to have Mike move on this issue soon.

Other concerns:

Internet Safety - this was completed with the Gallatin County Sheriff's department.

CPR/First Aid - we will need to offer this next school year for the staff. CPR is renewable every two years.

Sidewalks - Ms. Davis asked about the progress on the sidewalks. She is going to contact her person at the county to find out more information. We have heard that once the stoplight goes in the county will also be completing the sidewalks, but we haven't heard anything about it recently.
