

West Valley Early College High School - Daily Bulletin

Friday, January 16, 2026

Please stand for the Pledge of Allegiance:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands: one Nation under God, indivisible, with Liberty and Justice for all.

INFORMATION:

Youth Options Shasta is excited to announce our bi-annual Shasta Youth Peer Court Recruitment Event, happening on Wednesday, January 28, 2026, from 5:00–6:30 PM at the Redding Teen Center - 2981 Churn Creek Road Redding, CA 96002.

Next month Eagle Vision will be having a 'Be Kind' movement by offering Cookie Grams for Valentine's day. Students can purchase during lunch hours in Eagle Vision from February 4th-11th and delivery will be to students in their class on Feb 13th. (See page 2)

The senior class is in need of a new **Class Secretary!** If you are interested, please let **Mrs. Long** or **Mr. Pixler** know **by this TO-DAY (1/16)**, either in person or by email. We are on a tight timeline as we prepare for **Winter Homecoming**, and the senior class will vote on candidates **next week**.

Attention Seniors! **There will be a homecoming meeting on Tuesday, January 20 at lunch in Mr. Pixler's room, Room 1207.** If you are interested in helping design or helping with the construction for the homecoming section in the gym, then we need you to attend! The theme is Avatar, the Fire and Ash tribe, so come with your colorful sketches and ideas!

Calling all freshman, time to defend our homecoming trophy! **Every day at lunch come to Zuppan's room 1008 to help decorate for Homecoming which is on February 6th.** Bring cardboard boxes If you have them.

Attention ALL students- It's officially Homecoming season! Now is your chance to help choose this year's Homecoming Royalty. Each student may nominate ONE boy and ONE girl from their grade. The form is quick and easy. It takes less than a minute to participate, so don't wait! **Nominations close:** Tuesday, January 20 at 2:40 pm-Scan the QR code posted around campus.

The varsity football banquet is Monday night from 6 pm to 7:30 pm. Players eat free, parents will be asked \$10 to enjoy a meal, which can be paid at the door. We hope to see all varsity players ther!

If you are interested in running distance for Track, you can join us for pre-season workouts after school on Monday, Wednesday or Friday. We will be meeting at the Track this week. See you there!

ATTENTION ALL BASEBALL PLAYERS.

Tuesday January 20th will be the first week of mandatory team practices for those not playing a winter sport.

****TRYOUTS****

February 10th & 11th for those not playing a winter sport. February 16th & 17th for those playing a winter sport.

****Any questions please email: Wchurch22@yahoo.com**

Boys tennis is starting their pre-season workout this Saturday at 9 am on the tennis courts. Make sure you have your athletic packet filled out and turned in to the student store. If you have any questions stop by room 404 and see Coach Soksoda.

COMPUTERS & DIGITAL MEDIA

NETWORK ADMINISTRATION

The Internet Behind the Scenes

This class shows you what's really going on behind the internet you use every day. You'll build and manage networks, set up Wi-Fi, and figure out why connections break (and how to fix them). Learn how things work behind the scenes — gaming, streaming, or apps.

Computer Essentials A+ & Digital Media

Learn It. Then Create It.

Learn how the technology that powers everyday life really works — then use it to create. In this class, you won't just sit and watch tutorials. You'll take computers apart, build them back up, and fix real problems. You'll also learn how lighting works, film and edit videos, and create commercials for social media, advertising, and the web using the same tools professionals use. It's the perfect mix of tech skills and creativity.

Cybersecurity, Minecraft & 2D Game Programing

Hack. Build. Create.

Learn how hackers think — and how to stop them. You'll explore real cybersecurity concepts, then jump into coding using Minecraft and 2D game development tools. Build games, write code, and learn how systems stay secure. This course combines cybersecurity concepts, ethical hacking, and coding in a fun, hands-on learning environment.

Yes — Minecraft is part of the class.
