

Dear GIS Community,

We're creating a vibrant, year-round flower bed to bring color, joy, and inspiration to our students every day. Your donation of **flower plants** will help brighten our school and create a welcoming space where children can learn, explore, and grow.

Important: Please bring **only the flower plants shown in the pictures!**

If you'd like to contribute, please bring your **flower plants** to your child's **teacher during Student-Led Conferences**. Every plant makes a difference — let's make our campus beautiful together! 🌿

Thank you for helping us nurture a joyful, inspiring environment for our students. We appreciate your support and generosity!
