

**First-Then Board:**

- When hesitant or reluctant to complete their work, show first-then board to indicate that first student completes work and then earns Break Time Choice
- Point to board to give non-verbal cues (look at board, no use of words)
- Use the Drop & Walk strategy if non-compliant behaviors are demonstrated
  - Provide a short directive (“time to work”, few word used)
  - Use a neutral, non-emotional voice (calm, low tone)
  - Walk away to provide time and space to make choice
  - Check back in with him in 1 minute
  - Praise immediately upon choosing to get on task
