MINECRAFT ED
CODE CLASS

the **coder** SCHOOL rocklin
learn to code. change the world.
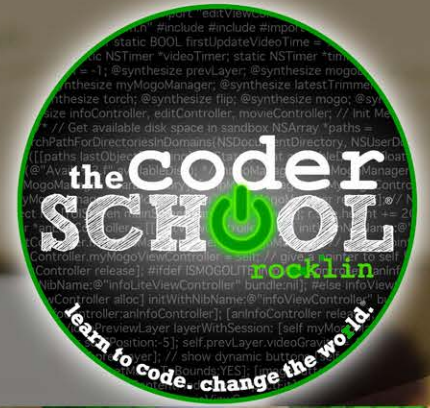

We're excited to invite your child to further their coding journey with us by enrolling in our fall Minecraft Education Coding Classes! Designed for beginner coders, these courses will guide students through creating their own Minecraft themed games while building essential coding skills in a fun and engaging environment.

MINECRAFT Education Coding Class at Twin Oaks Elementary

Thursday, 2:30–3:30pm | Sept 18 – Oct 16, 2025
