# Acknowledging the Friction: The Hold Harmless Agreement

We introduced this as a standard procedural document. However, we recognize that it has caused significant stress, confusion, and fear. We hear your concerns clearly, and we take them seriously.

**Step 1:  
Paused the  
requirement**

Halted the enforcement of the Hold Harmless while we investigated our ability to waive without undue risk

**Step 2:  
Legal  
Consultation**

Consulted with District Legal Counsel to review the specific liability claims raised by SCO leadership and their attorneys

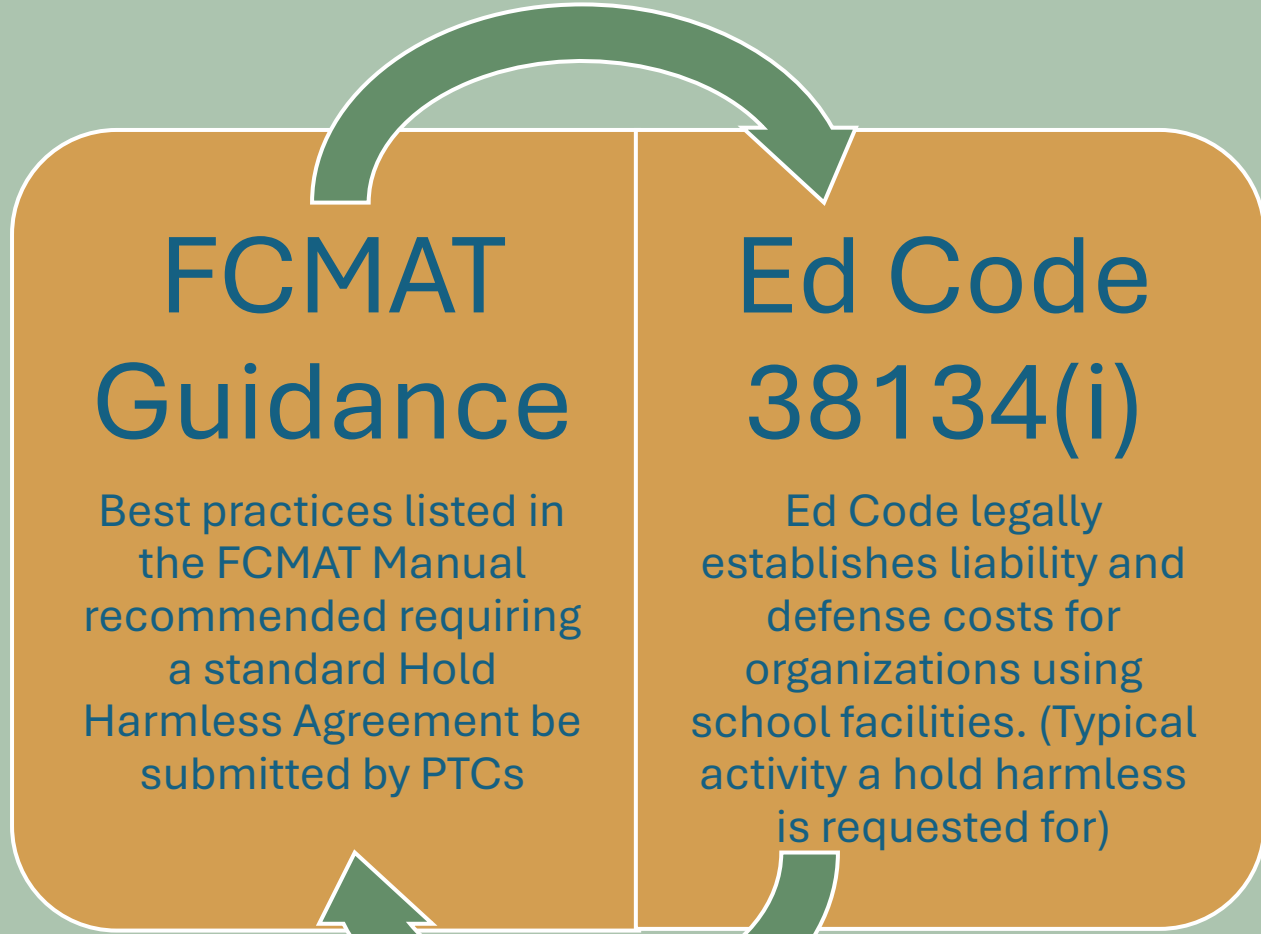

**Step 3:  
Carrier  
Evaluation**

Consulted directly with the legal counsel of our insurance carriers to evaluate how the broad language interacted with standard non-profit policies
