Elementary School District – with an ADA of less than 901 students

High School District – with an ADA of less than 301 students

Unified School District – with an ADA of less than 1,501 students

Direct Service School Districts in Madera County are as follows:

Raymond-Knowles Union Elementary School District

Yosemite Unified School District

- If more than one district meets the eligibility qualifications, selection will be drawn by lot.

Timeline for Submission of Application

All scholarship applications are due no later than ***September 30*** of the current school year. Board Members must complete the MCSBA scholarship application form.

Timeline for Submission of Expenses

To receive reimbursement, successful applicant shall submit expenses within 30 days of conclusion of the event.

Designation of an Alternate

If the person who applied for the scholarship is unable to attend, an alternate shall be selected. The alternate shall be from the same board as the applicant so that the information is available to the district.

Requirement

The applicant/district must be a member in good standing of a state organization. For example, district dues paid for CSBA, SSDA, etc.

The recipient of the scholarship is expected to report back to the individual's local board. This reinforces the purpose of the scholarship to provide professional development for the board members as a group.

Limited funds

If the funds allocated to the scholarship are not spent, the Executive Committee may discuss rolling them over into the next year or not as part of the annual budget development process.
