

Marsh Junior High School

Course: Math A

Contact Info: email:gbishop@chicousd.org

Teacher: Greg Bishop

Room: D14

Be Safe!

Be Respectful!

Be Responsible!

Course Objectives

- To work together as a team, in order to solve real world problems.
- To lay the groundwork for success in future junior high and high school mathematics classes
- To prepare students to solve problems inside and outside the academic setting

Text

- Illustrative Math: focusing on proportional relationships, ratios, algebraic expressions, statistics, and geometry

Notebook (recommend)

- Each student will need a bound paper notebook; graph is preferable (subject to change based on the new curriculum).

Supplies (recommendations)

- Bring a Chromebook, notebook, folder, pencils, erasers, and pens to class each day.

Class Policies

- Be an active participant in your group (fulfill required team role).
- Be on time. On time is in the room. You have a 1 minute grace period to have materials out on your desk and in your seat.
- Attend to your work until your teacher dismisses you.
- All electronics not specified by the teacher are to be turned off and out of sight for the entire class period.
- Late work, when accepted, is worth a maximum 70% of original points.

Grading

- Your grade is based on the total points earned from all assignments, activities, projects, and assessments. Your attitude, effort, teamwork, punctuality (being on time), organization, and improvement also affect your grade in the form of Participation points.

- Letter grades as follows

A = 86 - 100% B = 75 - 85% C = 61 - 74% D = 50 - 60% F 49% or below
