When putting your sports bags in room 209 please put your bags in the cabinets or the far back wall. Students are leaving them right at the door and we do not want anyone to mess with them.

This week's Suicide Prevention Awareness Month reminder is to **pay attention to the people around you.**

Sometimes someone who is struggling may pull away from friends, seem unusually sad or angry, talk about feeling hopeless or like a burden, or just seem very different from themselves.

You don't have to figure out what's wrong or fix it. Just notice, check in, and don't be afraid to tell a trusted adult if you're worried about someone.

Noticing can make a difference.
