Calendar Alert

No School this Friday, October 31st due to Professional Development Day.

Crosswalk Safety!

Parents/Guardians,
When you are walking through the front parking lot, **PLEASE** make sure to use the crosswalk located near the flagpole. Unfortunately, we are seeing an increase in our families cutting through the parking lot and walking in between cars. Yikes! Using the crosswalk is not only the safest way to cross, but it also teaches your son/daughter how important safety is! Thank you!!

Vehicle Drop-Off & Pick-Up

If you are using the car lane for drop-off, **please remain in your vehicle** to keep the flow of traffic moving. We are happy to help with unloading if needed. Please be **CAUTIOUS** when exiting the parking lot from the pick up/drop off lane as cars to the left of you are also exiting. If your child arrives after **7:50AM**, please check into the office to get a late slip.

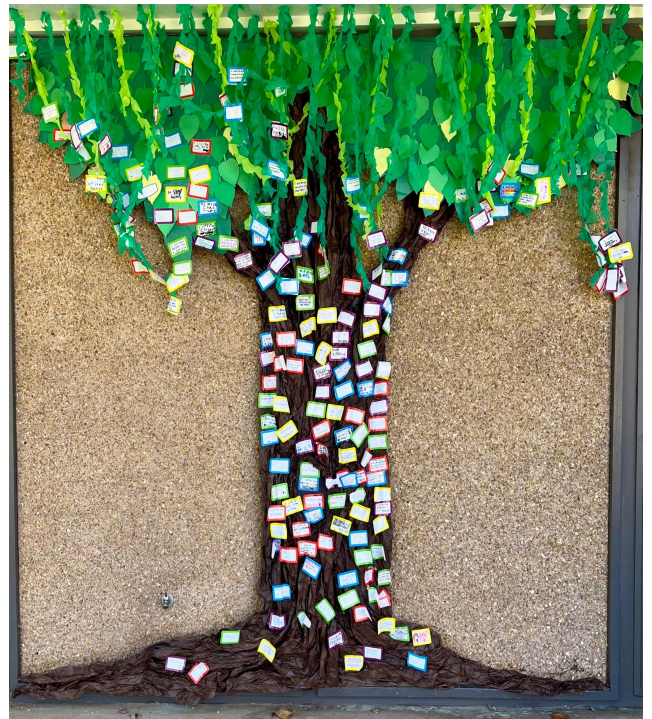

2026/27 Calendar Survey

Parents/Guardians, if you have not already completed the survey sent to you by the District Office, here is the link to complete our EUSD Calendar survey for our upcoming school year.

Our first week of Runnin' for Rhett was so much fun! Over 150 cubs joined us as we practiced running and stretching and discussed the importance of hydration. There's still time to come out! While the goal is to prepare the kids to run a 5K in December, all cubs are welcome to join in the fun and MOVE during recess. If you'd like to sign your cub up for the 5K or 1/4 mile, you can do so at runninforrhett.org/marafunrun - DEADLINE IS FRIDAY. It's free for your cubs, and they get a free shirt and a finisher's medal at the race!

Raptor Update!

Parents/Guardians, just a quick shout out to thank you all for transitioning to our new Raptor Sign in. As a reminder, please bring your Government issued ID, and if you don't have one, you can sign in without it by choosing Visitor and not Volunteer when prompted. When you check out, you'll scan the bar code on the sticker from the Raptor, so please don't throw it away before checking out at the office. If for some reason the Raptor is not cooperating we will go old school and use our regular paper sign in. We will also use the regular paper sign in for big events like Jog, Volunteer Tea, School Parties/Celebrations etc. Thank You!

This year, your generosity takes center stage!

Our 2025 Fund-A-Need will support

Performing Arts across all Eureka Union schools. Performing arts foster the creativity, confidence, and collaboration that come from being part of music, theater, and drama.

From the first note to the final curtain call, our students deserve spaces and equipment that let their talents shine. Thanks to past donations to ESF, several schools have already upgraded their MPR speakers - but the next step is completing those systems with performance-ready **sound**

equipment, and many of our **stages, curtains, lighting, and storage areas** are still in need of major upgrades or replacement, and the cost to **maintain and replace instruments and pianos** continues to grow.

When you raise your paddle this year, you're helping ensure that every child in our district has a stage to perform on, a light to stand under, and a voice that's heard.
