4. The Board of Trustees of the Meridian School District has received a series of letters alleging that the Board violated the Brown Act in connection with the Board's meetings held on June 23, 2025, and June 25, 2026, and demanding the Board cure or correct alleged violations.

While we do not believe that all of the actions must be re-taken, we are bringing forward the action items for action/ratification by the Board, in order to avoid the potential expense and uncertainty of unnecessary litigation, and to instead devote the District's limited resources to our pupils' education.
