

Ruskin Elementary School's 36<sup>th</sup> annual Science Fair officially begins the week of **March 2, 2026**. Projects are due **Thursday, April 16th**. To participate, please return the completed and signed bottom portion of this flyer to your teacher. **For some classes and grade levels, this is a required project.** All the information you need to complete a science project is included in the Science Fair Handbook that you can view online at the Ruskin website:

<https://ruskin.berryessa.k12.ca.us/Programs/Science-Lab/index.html>

The 5 categories of projects are INVENTION, MODEL, DEMONSTRATION, EXPERIMENT and COLLECTION.

For all dates and science project information, refer to the schedule on the back of this flyer or the Science Fair Handbook. The Handbooks will be passed out to participating students at a later date and can also be downloaded from our website.

*Cut here and return bottom slip to teacher. Save top portion for your reference.*

### SCIENCE FAIR PARTICIPATION SLIP

Name (First and Last Name) \_\_\_\_\_

Teacher \_\_\_\_\_ Grade \_\_\_\_\_
