The screenshot shows a web form titled "Open Enrollment". It has a table with columns "Description", "Current Value", and "Changed Value". Below the table is a list of conditions for Open Enrollment. At the bottom, there are two dropdown menus: "Requested School" and "Survey Question". Below these are two buttons: "Save Changes" and "Cancel Changes".

Open Enrollment

Description	Current Value	Changed Value
<ul style="list-style-type: none">• Open Enrollment is not first come, first served.• If your son/daughter is currently at a secondary school on Open Enrollment and intends to continue at his/her current school for the 2022-2023 school year, you do NOT need to reapply for Open Enrollment.• Students must reapply for Open Enrollment after grade 8. Approval to attend a particular middle school does not extend approval to attend the regional high school.• The transfer request is valid for the requested school only, all four years of requested high school OR two years of requested middle school.• The district does not provide transportation for students on an Open Enrollment transfer. Transportation must be provided by the parent/guardian.• The district reserves the right to limit the number of students transferring into or out of any individual school site. If such limits are imposed, a random selection process will be conducted on Thursday, January 22, 2026 to select students for Open Enrollment transfer.• Termination of the transfer request may be made by parent/guardian only at the end of each school year, by July 1.
