School Breakfast and Lunch Prices

Over the last few years, school breakfast and lunch costs have been covered by state and federal dollars. Unfortunately, Michigan legislators have yet to pass a school aid budget, leaving the district to try and guess what the future holds. If the state does not pass a school aide, budget that includes dollars for free breakfast and lunch, by the last day of September, starting on October 1, 2025, the following breakfast and lunch prices will be implemented. Please share this information with neighbors and friends. Free and Reduced meal applications are available at <https://sisweb.resa.net/MISTAR/Hartland/>
