

WJUSD Reclassification Criteria

Area	Data Gathered	Reclassification Criteria
English Language Proficiency	Most recent ELPAC test	Overall level: Level 4, Well Developed
Academic Achievement	SBAC (Smarter Balanced State Assessment) and Benchmark Assessments	CDE direction: SBAC results may be considered but are not required. We will consider SBAC data with caution and will look at additional measures. <u>SBAC (Smarter Balanced State Assessment):</u> *Score of a 2 or higher **If the student scored a 1, additional ELA/Math data will need to be provided to counter low scores. <u>Benchmarks Assessments Grades 1-12</u> *Elementary IREADY/Satisfactory Academic Progress *Secondary IREADY/Local assessment *80% or higher on ELD assessments *Elementary, Middle and High School: Essay at grade level
Teacher Evaluation	Teacher's recommendation form, student work samples, and current report card	Teacher completes the consultation form: <u>Grades 1–6:</u> *Report card indicates that student is meeting standards in all areas *Student is meeting grade level benchmarks in English reading and math *The student has a passing score on the grade level writing sample <u>Grades 7–12:</u> *Performance at or above grade level *Minimum of "C" in English on most current report card *Student is meeting grade level benchmarks in English reading and math *Grade level writing sample If there are any deficits, the teacher agrees that: *The student is performing successfully in academic areas *Any deficits in motivation or performance are unrelated to English language proficiency
Parent Consultation	Description and results of consultation with parent	After reviewing the data, receiving an appropriate explanation, and participating in a discussion, the parent signs the reclassification form.
