3rd Annual RanchoBot Challenge

Congratulations to the two McGarvey teams who participated in the 3rd Annual RanchoBot Challenge at City Hall on Saturday, May 10. Students in grades 4-8 used their coding knowledge to program LEGO robots to complete assigned tasks and compete in head-to-head sumo battles against other teams. This year's 4th grade B-track team—Olivia Rotch, Nishika Mallavarapu, Ruby Lam, and Holly Lam—and 4th grade C-track team—Anvika Verma, Addalyn Wunschel, and Olivia Alejandre—were awarded the 1st and 2nd place Judges' Awards, respectively. Interested in participating next year? Keep an eye out for announcements next Jan.!

Technology in the School News

DANGEROUS TIK TOK TREND

We are aware of a viral Tik Tok trend called the "Chromebook Challenge" where students are attempting to short-circuit Chromebooks with paper clips and other objects, risking damage or fire. tampering with school property is dangerous and can lead to arson charges, suspension, or expulsion. Please talk to your children about the dangers of participating in viral online challenges and the importance of respecting school property. Remember, "If you see something, say something." Your help is crucial in keeping our school and property safe.

Become a... Griffin Guardian!

At McGarvey, community matters. Volunteer today!

This is an all-call for adults - dads, moms, grandparents, and other adults.
(must be 21 or older and have fingerprints cleared by EGUSD)

We'll have more than 300 new students next year. It's important that all our Griffins know they belong & our community pulls together to make sure they thrive. You can help children feel safe, supported, and seen.

Griffin Guardians are volunteers who show up with heart and purpose to ensure our school runs smoothly from the moment students get on the way to school until they head home.

Please consider volunteering. Here are just some of the roles we need filled:

- Walking Train & Bike Train leaders** - We need to get more kids arriving on foot and on wheels to ease the traffic around campus. *Would you be willing to walk/bike with a group of kids from your part of the neighborhood?*
- Crossing Guards** - With more kids walking & biking, and undoubtedly many arriving by car, we need more help getting families across the crosswalk. *Would you be willing to help kids & families cross the street safely?*
- Recess Helper** - Lots more kids means lots more play! Do you love playing with kids? Do you have a game you'd love to teach kids and supervise? Ever heard of Gaga Ball?? *Would you be willing to help supervise and engage kids in play during recess or lunch recess?*
- Gate Greeter** - Greeting kids and families with a warm smile and keeping an eye on safety makes everyone feel secure. *Would you be willing to greet people at the gate in the morning or say goodbye in the afternoon?*

A lot of these roles are just a few minutes a day. You may already be at school or doing these things with your own kiddos already. What's a few more minutes or a few more kids?

Why volunteer?

- ☒ Make a direct impact on student safety.
- ☒ Build community and school spirit.
- ☒ Set a positive example for our future leaders.
- ☒ Let every Griffin know they matter!
- ☒ Earn smiles and hugs from kids!!

You don't need to volunteer every day (but you sure can!). **Scheduling is flexible to fit your availability.**

No experience necessary! We'll provide any training you need.

BEFORE & AFTER SCHOOL

Dear Robert McGarvey Families,
We are thrilled to extend a warm welcome to you and your child to join our EXL Programs! Our goal is to provide a safe, nurturing, and enriching environment where children can thrive academically, socially, and emotionally. Our EXL Programs offer a variety of engaging activities designed to support your child's development and provide them with opportunities for growth. From homework assistance to creative arts and STEM projects, we tailor our programs to meet the diverse interests and needs of every child.

We love seeing so many Griffins riding their bikes and scooters to school!

Please remember to be safe!

Walk your bike or scooter on the sidewalk.

Wear your helmet. It's the law.

You may never ride your bike or scooter on campus.

We continue to remind students about these safety rules. We will call parents to help us enforce the rules. Students who continue to be unsafe may lose the privilege of riding their wheels to school.

**BEE ON TIME

We've had a lot of tardy students lately.

Message from the Superintendent

Dear EGUSD Families, Students and Staff,

As a diverse school district, Elk Grove Unified is committed to the safety, well-being, and education of all our students, families, and staff members. Our School Board has adopted Board policy (BP/AR 5145.13) that protects access to student information or to students on school grounds. We recognize the increased anxiety surrounding recent executive orders related to immigration and understand the challenges and uncertainties many of our students, families, and staff members are facing. For many in our community, the weight of these uncertainties can be overwhelming.

We are actively monitoring these changes and want to reaffirm our unwavering commitment to making our campuses safe and welcoming places where all students, families, and staff feel a sense of belonging regardless of immigration status or national origin.

In addition to Board policy (BP/AR 5145.13) in place, which outlines how we respond to immigration enforcement, federal and state laws protect student education records and personal information. Please know that our district does not collect immigration or citizenship data. There are also many state and county resources available to our community, and we encourage you to access them. For our community’s benefit, [here is a link to some of these resources](#) on our EGUSD website. We will continue to update this page regularly to reflect the latest information.

As we move forward, it is important that we continue to support our students, their families, and each other. Our partnership with parents and the broader community is essential in creating learning environments where all students learn and are empowered to succeed. Thank you for all you do to help ensure our schools are safe and welcoming places where every single student is seen, heard and valued.

Sincerely,
Your EGUSD Leadership Team

IMMIGRATION-ENFORCEMENT ACTIONS
AT CALIFORNIA SCHOOLS
GUIDE FOR STUDENTS AND FAMILIES

KNOW YOUR EDUCATIONAL RIGHTS

YOUR CHILD HAS THE RIGHT TO A FREE PUBLIC EDUCATION

- All children have a right to equal access to free public education, regardless of their or their parents’/guardians’ immigration status.
- All children in California:
 - Have the right to a free public education.
 - Must be enrolled in school if they are between 6 and 18 years old.
 - Have the right to attend safe, secure, and peaceful schools.
 - Have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - Have equal opportunity to participate in any program or activity offered by the school without discrimination.

INFORMATION REQUIRED FOR SCHOOL ENROLLMENT

- Schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency and schools are not required to keep a copy of the document used as proof of a child’s age.
- Information about citizenship/immigration status is never needed for school enrollment. A Social Security number is never needed for school enrollment.

CONFIDENTIALITY OF PERSONAL INFORMATION

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If so, the school district must provide parents/ guardians with written notice of the directory information policy, and provide the option to refuse release of your child’s information.

FAMILY SAFETY PLANS IF YOU ARE DETAINED OR DEPORTED

- You can update your child’s emergency contact information, including secondary contacts, to identify a trusted adult guardian who can care for your child if you are detained or deported.
- You can complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person to give a trusted adult the authority to make educational and medical decisions for your child.

RIGHT TO FILE A COMPLAINT

- Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated or bullied because of his or her actual or perceived nationality, ethnicity, or immigration status.

For more information on resources for responding to immigration enforcement activities at California schools, or to file a complaint, please contact:

Q&A: Serving Undocumented Students Information

Are undocumented students entitled to a free public elementary and secondary school education?

Yes. Public schools are prohibited from denying undocumented students a free public education. (*Plyler v. Doe* (1982) 457 U.S. 202.) Under *Plyler*, the undocumented or non-citizen status of a student (or his/her parent or guardian) is irrelevant to that student’s entitlement to an elementary and secondary public education.

Can I ask a student questions regarding his/her immigration status?

No. The District should never ask a student, or the parent/guardian of the student, questions regarding citizenship or immigration status. (See U.S. Dept. of J. and U.S. Dept. of Ed. Fact Sheet: Information on the Rights of All Children to Enroll in School, <https://www.justice.gov/sites/default/files/crt/legacy/2014/05/08/plylerfact.pdf>.) A student’s citizenship or immigration status is not relevant in establishing residency requirements. (OCR Dear Colleague Letter, May 8, 2014.)

What kind of documents must an undocumented student provide to establish proof of residency for enrollment purposes?

Undocumented students wishing to enroll in a school may establish residency by providing the same documents as required by other students. For example, this may include a rental agreement or payment, correspondence from a government agency, a declaration of residency executed by the parent/guardian of the student, utility bills or other documents. (Ed. Code, § 48204.1.)

Schools should be cognizant, however, that school enrollment cannot be denied to a student, undocumented or otherwise, who is homeless and unable to show that he/she lives within the district’s boundaries.

What kind of documents can a school request to establish an undocumented student’s age?

Schools are permitted to request documentation to show that a student falls within a school’s minimum and maximum age requirements. (Ed. Code, § 48002, Cal. Code Regs., tit. 5, § 432, subd. (b)(1)(B).) Acceptable documents for establishing age include a birth certificate, an affidavit from a parent, or previously verified school records. (See U.S. Dept. of J. and U.S. Dept. of Ed. Fact Sheet: Information on the Rights of All Children to Enroll in School, <https://www.justice.gov/sites/default/files/crt/legacy/2014/05/08/plyler-fact.pdf>.)

It should be noted, however, that although a school may request the aforementioned documents, a student cannot be prevented from enrolling or attending at a school because he or she lacks a birth certificate, or has records indicating a foreign place of birth. **There is no legal requirement for the district to retain a copy of the birth certificate in its records.**

Are undocumented students entitled to participate in extracurricular school activities and other school services?

Yes. Unless an activity does not contribute to educational goals, and the denial of participation furthers a substantial state goal, the activity is likely protected under *Plyler*’s guarantee of access to education. Because there are strong arguments that extracurricular activities are central to the student’s educational experience, undocumented students should have the right to participate in those activities. This right extends to services related to transportation, special education, Section 504 services, and free and reduced meals.

Is an undocumented student entitled to the same privacy rights under the Family Educational Rights and Privacy Act as other students?

Yes. All students within a school district are entitled to privacy rights with regard to each student’s educational records, under the Family Educational Rights and Privacy Act (“FERPA”) (20 U.S.C. § 1232g; 34 C.F.R. § 99.1 et seq.), as well as under California law (Ed. Code, § 49060 et seq.). Under FERPA, a school district may disclose “directory information” to certain entities, so long as the school district has given the student/parents notice and an opportunity to refuse to disclose such directory information. What categories of directory information that will be released is a question determined at district level through board policy. (Ed. Code, § 49073, subd. (a).) Other records related to a student’s education at the school district, and which are personally identifiable, are protected under FERPA and state law from unauthorized disclosure.

May an Immigration and Customs Enforcement (“ICE”) agent obtain otherwise private student records by way of a valid subpoena, search warrant, or court order?

Yes. Prior to releasing otherwise private student records to ICE, the superintendent should review the subpoena, search warrant, or court order, and consult with legal counsel, to determine the scope of the subpoena, warrant or court order, and whether it is genuine. In the case of search warrants, the school district will have little time to conduct a review of the documents. If the ICE agent is willing to cooperate with the school district and its legal counsel, the parties should coordinate to achieve compliance with the warrant that minimizes the disruption to school operations. Subpoenas and court orders do not present the same level of immediacy as a search warrant.

What if ICE appears on campus without a subpoena, court order, or search warrant, no exigent circumstances, and requests protected student educational records?

Under the above circumstances, the school district must refuse to produce the requested documents in compliance with FERPA and the California Education Code provisions that prevent the unauthorized disclosure of student records.

Are school district personnel required to assist ICE in the enforcement of immigration laws?

While there are no laws mandating local school districts to assist ICE in the enforcement of immigration laws, school personnel are nonetheless strongly discouraged from *frustrating* law enforcement purposes. Actively resisting the efforts of ICE may result in legal consequences to school personnel. Under Title 18 United States Code section 111, it is unlawful for a person to willfully resist, oppose, impede, or interfere with any officer of the United States Government who is discharging or attempting to discharge his or her official duties. Furthermore, federal law prohibits any person from intentionally concealing, harboring, or shielding an undocumented person from detection, where that person’s unlawful immigration status is known. (8 U.S.C. § 1324.)
