Engagement Process

A top-down view of several children sitting around a table, focused on drawing and coloring. They are using various markers and pencils on sheets of paper. One child in the foreground wears a white baseball cap with 'SAN DIEGO FC' printed on it. The papers they are working on contain sketches of faces and some handwritten text like 'Chillzone' and 'Walking'. The scene is brightly lit, and the children are dressed in casual clothing like hoodies and sweatshirts.
