LAKESIDE MUSIC BOOSTERS

P.O. Box 581 Ashtabula, OH 44005
lakesidemusicboosters@gmail.com (440) 993-2540

The Lakeside Music Program is in need of a new trailer to safely transport the instruments and other necessary equipment to and from away games and other community performances. This includes band shows, contests, parades, and invitational opportunities around the state, such as Ohio State Skull Sessions and performances at Cedar Point. We also transport instruments and equipment when the Lakeside Wind Ensemble performs at OMEA Large Group Events, when the Lakeside Orchestra performs at various locations, and at other community events.

We are asking for sponsorships to assist in offsetting the cost of a new trailer and additional items for towing the trailer safely while letting everyone know our amazing Lakeside High School Dragon Marching Band and other ensembles are on their way!

Our current trailer is reaching its 25th anniversary and has served us well. We have reached a point where repairs would jeopardize the safety of towing the trailer and its many instruments and equipment. A new trailer will cost the Lakeside Music Boosters at least \$30,000, so we need your help!

Please consider one of several support options. Your name or the name of your business will receive prime real estate on our new trailer based on the level of support you choose. The Dragon Marching Band students greatly appreciate any support you might provide.

CONCERT ETIQUETTE

These students have worked exceptionally hard in preparation for this evening's performance. The audience has come to enjoy the entertainment and inspiration of the ensemble featured. Please allow everyone the best possible atmosphere by observing the following "Guidelines of Concert Etiquette":

Thou Shall Not...

TALK – The first and greatest commandment. Stay home if you are not prepared to give your full attention to what is being performed, as well as to who is performing it.

ARRIVE LATE OR LEAVE EARLY – Most performances have scheduled times; try to abide by them. It is only appropriate to enter or exit the performance area between musical selections and during applause.

CAUSE OR ALLOW DISRUPTIONS – Small children who are crying or any child involved in other disruptive behavior should be removed from the performing area. "Crying/Disruptive babies, like all good intentions, should be carried out immediately!"

WEAR HATS – Wearing hats can and usually does affect the ability of people behind you to see as well as they could or should.

Thou Shall...

APPLAUD AT APPROPRIATE TIMES – It is appropriate and encouraged to applaud when the conductor enters the stage the first time and after each completed piece. Please refrain from applauding after a section or movement of a piece has been completed. Wait to applaud until the entire piece has been completed.

APPLAUD FOR SOLOISTS – It is appropriate and encouraged to applaud the effort of all soloists. In a jazz piece, you may applaud for a soloist after the completion of their solo even though the song may not be completed yet.

REMAIN IN ATTENDANCE FOR THE ENTIRE PERFORMANCE – It is inappropriate to leave or expect your child to leave after their portion of the performance has been completed. The educational benefit of a program is incomplete if it does not include listening as well as performing.

Thank you for being courteous in every way possible to the students who have worked so hard in preparation for this concert and to the members of the audience who have come to see, hear, and enjoy the performance.
