In June there was a discussion regarding a new gym at OHS. The District recommends that the gym project also be completed under the progressive design delivery model. The first step is opening a Request For Qualifications (RFQ) window to invite teams to submit their qualifications to be considered to submit a project proposal. Mr. Perry reported that the RFQ window will be opened to begin this process and the Board will receive updates as the process progresses.

- 7. CONSENT ITEMS:** All matters listed under the Consent Agenda are considered by the Board to be routine and will be enacted by the Board in one motion in the form listed below. There will be no discussion on these items prior to the time the Board votes on the motion unless members of the Board or the Superintendent request specific items to be discussed and/or removed from the Consent Agenda.
