Last month, the Del Mar Schools Education Foundation (DMSEF) presented the Del Mar Union School District with a check for \$1,020,000, enough to fund a little over seven credentialed STEAM+ teachers, ensuring students at all nine schools continue to benefit from innovative, hands-on learning experiences in science, technology, engineering, arts and physical education.

The funds were raised through school events such as the jogathon, community giving and local business sponsors including Dr. Dixon's Cali KiDDS, realtors Angela Meakins and Nhila Kliber, The Coder School, Melo Melo, and Handel's.

"This incredible generosity reflects the ongoing commitment to enriching education for every student," said Kate Ditzler, DMSEF's executive administrator.

Recently, the DMSEF voted in a new executive board officer and added new directors for the 2026–27 school year. Tommy Dring from Sage Canyon was selected to serve as the new president, Enrique Pinilla (Sage Canyon) as vice president, Arun Ganesan (Del Mar Heights) as treasurer, and Dr. Kelly Murphy (Del Mar Hills) as the secretary.

In addition to the executive leadership, DMSEF also welcomed two representatives to the board: Julia Yang (Ocean Air) and Jay Gupta (Sycamore Ridge).
