To inspire,
engage,
challenge, and
support all
students to
reach their
highest level of
learning and
personal
development.

Dear Sierra Unified Families,

Next week marks Parent-Teacher Conference Week across our district. This is an excellent opportunity for families to connect with teachers, discuss student progress, and partner together to support learning and growth. We deeply value these conversations as they strengthen the important home-school connection that helps every student succeed.

Please note that Friday will be a non-student day. While students enjoy a long weekend, our teachers and staff will be engaged in professional learning and collaboration focused on enhancing instruction and student outcomes.

This week, our schools also recognized National School Bus Safety Week. Our transportation staff and site teams worked with students to review bus safety procedures and reinforce the importance of following expectations while riding the bus. We appreciate our drivers and the vital role they play in keeping our students safe every day.

As fall sports come to a close, we're excited to see our teams finish strong and await their playoff seedings. Congratulations to all our student-athletes and coaches for their dedication, teamwork, and pride in representing Sierra Unified throughout the season.

Thank you for your continued partnership and support of our students and schools.

Measure U Updates

Design Development Drawings of phase two continue to be refined.

Investigation of existing conditions continues in order to refine estimates and prepare for DSA Submission this December

Collaboration between architects, construction team, and district personnel continues to refine scope and constructability.

With appreciation,

Dr. Lori Grace
Superintendent
