Dismissal for Medical, Dental, or Personal Appointments:

If your student must leave during the school day, you may send a note with your student identifying the time and nature of the early dismissal. Your child will bring the note to the office before school and receive a "Special Excuse" slip. Your student will show this slip to the classroom teacher at the beginning of the appropriate class period. The teacher will send the student to the attendance office at the designated time. A parent or guardian must come into the office to sign the student out before the student may leave campus and will be asked for a photo identification. Your child may not leave campus in the custody of anyone other than a parent or guardian or person authorized on the emergency card. This is for your child's protection. You should make best efforts to schedule appointments outside the school day to minimize disruption to the learning environment.
