## HUMILITY

Our virtue for April is HUMILITY. This character trait is displayed when you honor the value in the people around you. Holding the door open for someone else, picking up trash, and waiting our turn to speak in class are all ways we can show this virtue at school. Humility is also asking for help when we need it and saying thank you when others do help us.

## SPRING BREAK

No school April 6-10  
Week 30 Homework will  
head home on  
Monday, April 13th!

## Adding and Subtracting Two-Digit Numbers

Students are practicing adding and subtracting. Help them practice in their homework and help them study the ones they missed on the daily work.

## Book Points

Students reading 20 minutes each day should be able to take at least 1-2 book tests each week. Ask your students for a summary of what they read each day.
