Extended School-Year Learning Calendar

DEIC

April 7, 2021

Background

01 Traditional Calendar

02 House Bill 3 (HB3)

03 Mitigating Learning Loss

04 Focus on Student Learning

Goal

Continuously use data to make informed decisions on student academic needs and implement instructional practices in a timely manner.

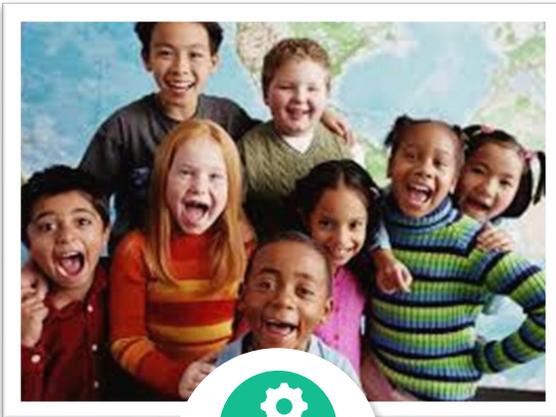

Improve

Students not mastering content receive instruction during the intersession week.

Enrich

Students mastering content receive extensions, potentially moving students to meets and masters levels on STAAR.

Benefit

Teachers have dedicated weeks to focus solely on specific student needs.

Sustain

Calendar mitigates summer slide for all students.
