**GENERAL ANNOUNCEMENTS**

1. Students, as we approach the end of the school year, this is your reminder to save any important work to your Google Drive or a personal flash drive rather than storing files locally on lab or library computers.

Over the summer, IT will be resetting all lab and library computers as part of our regular maintenance process. Any files saved directly to these devices will be permanently removed during the reset process.

We strongly recommend making it standard practice for you to save all work to Google Drive or a flash drive to ensure your files remain safe and accessible at all times.

2. Students – if you plan on working over the summer, stop by the counseling office to get a new work permit form! Your current work permit will expire once school is out!
3. There will be a mandatory meeting for future 10<sup>th</sup> grade Honors English students in Spooner's room 204 today at lunch. We will be discussing expectations and the summer assignment. See you there!
4. Students, if your Chromebook has a cracked screen or any other issues it must be turned in to the library by Thursday, June 4<sup>th</sup> for repairs.
5. Seniors, your Chromebooks, textbooks, library books, must be returned and all fines paid by Thursday, June 4<sup>th</sup> in order to participate in graduation.
6. Seniors – a number of you have fines. Please see Sherry in the library. All fines must be paid by Thursday, January 4<sup>th</sup>.
