

2026-2027 Late AP Exam Order Form

****Students must submit one form for EACH last test requested****

Due Date: October 23, 2026*

Below are circumstances when late testing is allowed without incurring an additional fee. Other reasons for late testing will incur an additional late-testing fee of \$50 per exam and are subject to approval.

Late-Testing Reasons that do NOT Incur an Additional Fee:

- Athletic contest/event (SJHHS teams only)
 - Spring Sports with possible CIF games that may occur during AP Testing: *Golf, Tennis, Baseball, Softball, Swim, Volleyball, Lacrosse, and Track & Field*
 - It is the student's responsibility to check with their coach for possible sport conflicts and determine if they will need to take any AP tests on an alternate date and complete this form for each late test being requested.
- SJHHS Academic Contest/Event
- 2 or more AP Exams on the same date **at the same time**

**Spring sports will not know about potential CIF conflicts until closer to May 2027. Therefore, students with a spring sports conflict do not need to meet the October 23, 2026 deadline. Please submit this form as soon as you become aware of a conflict.*

All other late testing applications must be submitted by October 23, 2026 to be considered.

Student Information

Name: _____
