

Non-pricing Letter to Household and Instructions

School Year 2025-2026

Dear Parent or Guardian:

The Brittan Elementary School District participates in the National School Lunch Program and/or School Breakfast Program. At Brittan School, all students will receive nutritious meals free of charge every school day. The meal programs we participate in are supported by federal and state reimbursements that are determined by household income and eligibility. We are able to serve free meals because households continue to submit meal applications, and your cooperation is greatly appreciated. You or your children do not have to be U.S. citizens to be considered eligible for free meals. If there are more household members than the number of lines on the application, attach a second application. For a simple and secure method to apply, use our application, which can be found on our website at www.brittan.k12.ca.us.

Applying for Benefits

An application for free or reduced-price meals cannot be reviewed unless all required fields are completed. A household may apply at any time during the school year. If you are not eligible now, but your household income decreases, household size increases, or a household member becomes eligible for CalFresh, California Work Opportunity and Responsibility to Kids (CalWORKs), or Food Distribution Program on Indian Reservations (FDPIR) benefits, you may submit an application at that time.

Direct Certification

An application is not required if the household receives a notification letter indicating all children are automatically certified for free meals. If you did not receive a letter, please complete an application.

Verification:

School officials may check the information on the application at any time during the school year. You may be asked to submit information to validate your income or current eligibility for CalFresh, CalWORKs, or FDPIR benefits.

Women, Infants, and Children (WIC) Participants

Households that receive Special Supplemental Nutrition Program for WIC benefits, may be considered eligible for free or reduced-price meals by completing an application.

Homeless, Migrant, Runaway, and Head Start

Children who meet the definition of homeless, migrant, or runaway, and children participating in their school's Head Start program are considered eligible for free meals. Please contact school officials for assistance at 530-822-5155.

Foster Child

The legal responsibility must be through a foster care agency or court to qualify for free meals. A foster child may be included as a household member if the foster family chooses to apply for their nonfoster children on the same application and must report any personal income earned by the foster child. If the nonfoster children are not considered eligible, this does not prevent a foster child from being considered eligible for free meals.

Fair Hearing

If you do not agree with the school's decision regarding your application's determination or the result of verification, you may discuss it with the hearing official. You also have the right to a fair hearing, which may be requested by calling or writing to the following: Heather Azevedo, 2340 Pepper Street, Sutter, CA 95982, 530-822-5155.

Eligibility Carryover

Your child's eligibility status from the previous school year will continue into the new school year for up to 30 school days or until a new determination is made. School officials are not required to send a reminder or expired eligibility notices.
