

FOR IMMEDIATE RELEASE

A Celebration of Student Imagination

Chico, CA – Explore a district-wide artistic event in a gallery setting that highlights the incredible creativity, musical and technical talents of our local Chico Unified students.

Chico Unified School District is delighted to invite the community to the "Chico Unified Creativity Expo - A Celebration of Student Imagination!" This event runs from May 2 through May 16, 2026, with gallery hours on Thursdays, Fridays and Saturdays. Admission to the Expo is **free and open to the entire community**.

“The Chico Unified Creativity Expo is heavily student-driven, with the official event logo and promotional flyers designed entirely by Chico High and Pleasant Valley High School students,” shared Superintendent Greg Blake. “Our vision is to create a space where students feel proud to share their creative work with their families and community. From paintings to ceramics, architecture to welding, and from elementary school to adult education, I am grateful to everyone who participated and made this incredible event happen for our students and community.”

The event aims to highlight the talented community that comprises Chico Unified through an immersive creativity exhibition, to be held at 1390 E. Lassen Ave, Chico, CA 95973 (close to Oak Bridge Academy and ATC). To ensure easy access for all community members, the location is near a B Line stop and offers ample free parking.

Expo Schedule:

- **Saturday, 5/2** from 10 a.m. - 2 p.m. (First Day of Expo)
- Thursday, 5/7 from 4 p.m. - 7 p.m.
- Friday, 5/8 from 4 p.m. - 7 p.m.
- **Saturday, 5/9** from 10 a.m. - 2 p.m.
- Thursday, 5/14 from 4 p.m. - 7 p.m.
- Friday, 5/15 from 4 p.m. - 7 p.m.
- **Saturday, 5/16** from 10 a.m. - 2 p.m. (Special Reception and Performances on this Day)

A special Saturday reception will feature a variety of live student performances and entertainment.

We welcome the entire community to experience the hard work and exceptional talent of Chico Unified students!
