Final Days to Register for Girls in Robotics Leadership (GIRL) Summer Camps

Solano County, CA – Solano County Office of Education (SCOE) is reminding families that the deadline to apply for the 2025 Girls in Robotics Leadership (GIRL) Summer Camps is fast approaching. Interested students must complete the first step of the application process by Monday, May 19, 2025.

GIRL Camps are free, weeklong programs designed to inspire middle and high school students, particularly girls, to explore leadership and STEM (Science, Technology, Engineering, and Mathematics) through hands-on robotics and coding activities. Hosted in partnership with UC Davis C-STEM and supported by community sponsors, the camps offer students the opportunity to work with female mentors in STEM fields, develop technical skills, and explore future college and career pathways.

The 2025 camp sessions will be held at Solano Community College campuses:

- Vacaville: June 9–13, 2025
- Fairfield: June 16–20, 2025 (no camp on June 19)
- Vallejo: June 23–27, 2025

While the program is designed to encourage girls to engage with STEM, all students are welcome to apply. Due to high demand, applicants may be placed on a waitlist or offered a spot in an alternate session.

For more information and to access the application, visit SCOE's GIRL Camp webpage linked at www.solanocoe.net.

Questions about enrollment can be directed to Steph Morgado at smorgado@solanocoe.net or (707) 399-4439. www.solanocoe.net.

####

Solano County Office of Education (SCOE) provides leadership, support, and fiscal oversight for charter schools and Benicia, Dixon, Fairfield-Suisun, Travis, Vacaville, and Vallejo school districts which serve approximately 60,000 students. Solano County Superintendent of Schools, Lisette Estrella-Henderson is elected by voters of Solano County. Superintendent is a state constitutional officer who serves as the chief executive officer of SCOE and as a liaison between local school districts and the state.
