

SY27 South Elementary School Classroom Supply List

ATTENTION FAMILIES:

All students will be provided with the following items:

- pencils
- erasers
- glue sticks
- scissors

These items are marked with an asterisk (*) on the lists below.

If you choose to buy your child their own particular item, that is optional

Grade 1

This year, we are trying something different; we would like to create a class community supply list. The following items are needed as supplies for the class. If they are not labeled, they will go into our community supplies so we can replenish throughout the year.

COMMUNITY/INDIVIDUAL SUPPLIES (one package of each):

- **BLACK** expo markers (these are used every day so they need to be replenished often)
- Glue Sticks* (we go through these quickly and replenish often)
- Crayons*: These are put into the table supplies that first graders can share
- Crayola Markers: These are put into the table supplies that first graders can share (both skinny and regular)
- Crayola Colored pencils
- **Please remember that these supplies can be reserved for your child if you prefer. Simply label them with your child's name, and I'll make sure they are kept separate from our classroom community supplies. That said, as the school year goes on, supplies often end up being shared through everyday classroom use and through students helping one another. Even with labels, items sometimes get mixed together over time, so I wanted to make you aware of that possibility.
