The image consists of two vertically stacked screenshots of the ParentVUE software interface, specifically the 'Student Info' section.

Screenshot 1: This screenshot shows the main dashboard after logging in. At the top, there's a dropdown menu for school selection. Below it is a sidebar with various links like Home, Messages, Calendar, Attendance, Class Schedule, etc. The main content area displays 'Recent History' with two entries: one for 'Franklin High School' and another for 'Toby Johnson Middle School'. Both entries mention a 'Progress report period' ending soon. A callout box points to the 'Student Info' link in the sidebar, with the text: 'Haga clic en información del alumno.' (Click on student information). Another callout box points to the 'Toby Johnson Middle School' entry in the recent history, with the text: 'Inicie sesión en ParentVUE. Asegúrese de que está enfocado al alumno correcto' (Log in to ParentVUE. Make sure you are focused on the correct student).

Screenshot 2: This screenshot shows the 'STUDENT INFO' page. The sidebar still has 'Student Info' selected. The main area is titled 'STUDENT INFO' and contains a 'Edit Information' button, which is highlighted with a red box and a callout box: 'Haga clic en editar información' (Click to edit information). Below this is a table with student details: Student Name (Perm ID), Nick Name, Birth Date, Phone, Track, School Name (Toby Johnson Middle School), Counselor Name, Student's Email, and CALPADS SSID. At the bottom, there's a section for 'IN CASE OF EMERGENCY' with fields for Orderby, Name, Release To, Email, Relationship (Grandparents), Home Phone, Work Phone, Mobile Phone, and Other Phone.
