PRINCIPAL'S MESSAGE

Welcome to Cobblestone Elementary School for the 2026–2027 School Year!

It is with great excitement that I welcome you to another school year at Cobblestone Elementary. I feel incredibly fortunate to be part of a school community with such dedicated staff, supportive families, and amazing students. Together, we create a place where children are encouraged to learn, grow, and thrive.

At Cobblestone, our goal is to provide every student with a high-quality educational experience in a safe, caring, and positive environment. We are committed to helping each child reach their full potential while fostering a love of learning that will last a lifetime.

I believe that strong partnerships between home and school are essential to student success. Your involvement, encouragement, and support make a tremendous difference in your child's educational journey. I encourage you to stay connected with your child's teacher and to be an active part of our school community throughout the year.

I am looking forward to a fantastic year filled with learning, growth, and memorable experiences. Together, we can make a positive difference in the lives of our students and ensure that every child has the opportunity to succeed.

Sincerely,

Matt Murphy
Principal

UNITY

I dreamed I stood in a studio
And watched two sculptors there.
The clay they used was a young child's mind
And they fashioned it with care.
One was a teacher – the tools she used
Were books, music and art.
The other, a parent, worked with a guiding hand,

And a gentle loving heart.
Day after day, the teacher toiled with touch
That was deft and sure.
While the parent labored by her side
And polished and smoothed it o'er.
And when at last, their task was done
They were proud of what they had wrought.
For the things they had molded into the child
Could neither be sold nor bought.
And each agreed they would have failed
If each had worked alone.

For behind the parent stood the school
And behind the teacher, the home.

ATTENDANCE INFORMATION

Absences – Daily school attendance is essential for student success. By law, parents are required to send their child to school daily. **Parents are strongly encouraged to schedule medical appointments during non-school hours.** Whenever possible, a student who is absent for a reason other than illness should attend at least part of the school day.

When students are absent from school, it is important that their absences be cleared as soon as possible by calling the attendance clerk at your child's school or by providing a note on the day they return to school. Any absence not cleared within 5 days will be marked as truant. According to California law, there are **NO** legally recognized absences. A student may be excused from school for justifiable personal reasons, including but not limited to illness or injury, medical or dental appointments, bereavement, funeral/memorial services, court appearances, or religious holidays, or an employment conference, when the student's absence has been requested in writing by the parent/guardian and approved by the principal or designee. A student shall be excused when he/she is the custodial parent of a student who is ill or has a medical appointment during school hours. Any absence after the 14th day of absences will require a medical note in order to be cleared as excused.

Parents will be asked to conference about continual non-illness absences and to improve their child's attendance. Failure to do so may result in a referral of the student and parent to the Rocklin Unified School District Attendance Review Board for further action.

Attendance is required (except for medical appointments) for students to attend or participate in after school or evening school activities.

Missed Work - A student absent from school shall be allowed to complete all assignments and tests missed during the absence which can be reasonably provided and, upon satisfactory completion, shall be given full credit. The teacher of any class from which a student is absent shall determine what assignments the student shall make up and what period of time the student shall complete such assignments. The tests and assignments shall be reasonably equivalent.

Request for Homework – If your child is ill two days or more, parents may request homework. Call the office at least one day before the day you wish to pick up the assignments. The teacher(s) will have the work ready to pick up in the office after school or the next day.

Notes from Parents – Please use **both the first and last name** on all correspondence from home. This is especially important when the parent and the student do not have the same last name.

Notes are still required to satisfy the compulsory education law. Please call the school to report an absence or leave a message. Please state your child's first and last name, reason for absence, and dates of the absence.

Tardies – An emphasis is placed on students arriving at school on time. Late students often miss the focus of the day or lesson and disrupt the flow of the lesson for other students. When students are late for school, please check into the office before going to class. Parents will be notified if a student has continual tardies and will be asked to follow through with a program to increase punctuality. Repeated tardiness can be grounds for revocation of intra or inter district transfer requests. Repeated tardies may result in a referral of the student and parent to the Rocklin Unified School District Attendance Review Board for further action.

Independent Study – A student who will be absent for **3 or more consecutive school days** is eligible for Short Term Independent Study. Students will be provided assignments that may be completed during the duration of the Independent Study Contract. Completed work will count toward school attendance during that time. Please contact your school office as soon as possible to allow sufficient time to put together an Independent Study Contract for your student. Please note, contracts may be denied based on a student's attendance history or prior lack of completion of Independent Study assignments. Independent Study Contracts are not available the first two weeks and last three weeks of school.

Appointments – If your child needs to leave school for an appointment, please allow extra time to come to the office to sign your child out. We want to maximize instructional time and will only call for your child when you arrive at the office. We do not accept call ahead requests for student pick up.

Attendance Awards - Students are recognized at the end of each trimester for perfect and excellent attendance. Excellent attendance is defined as having a 96% attendance rate or higher (missing fewer than 7 days a year for any reason).

PARENT COMMUNICATION / PARTICIPATION

Tuesday Folder - Each student is given a plastic clear folder which serves as a “mailbox” to send important communication to and from school. Each Tuesday, the folder is sent home with school notices, classroom information and student work. Please empty the folder, review its contents, respond to items as needed and returned to school! All notices will be posted on the school web based Tuesday folder. Notices will only be sent home to those families who wish a paper copy.

ParentSquare - This platform will be used by teachers, office staff, District Office staff, etc. to bring important information to you via a single point. To stay informed, please download the app and set your delivery preferences. Relying only on email may delay or cause you to miss important updates. The app ensures real-time notifications and easier access to school communication when it works for you. For assistance please click on the following link [Parent Square](#).

Website - Cobblestone has a school website that can be accessed at ces.rocklinusd.org. It serves as another great resource for students and parents with education links, school information, parent resources, as well as the cafeteria menu and the parent/student handbook! You can access teacher email addresses and class web-pages as well! We encourage you to bookmark this page to make access a breeze!

School Visitations / Visitor Registration – ([Reference Board Policy](#)/ [Administrative Regulation 1250](#))

The Board of Trustees encourages parents/guardians and interested members of the community to visit the schools and view the educational program. To ensure minimum interruption of the instructional program, visits during school hours should be first arranged with the teacher and principal or designee. If a conference is desired, an appointment should be arranged with the teacher during non-instructional time.

To ensure the safety of the students and staff and avoid potential disruptions, all visitors shall register in the school administration office immediately upon entering any school building or grounds when school is in session.

For purposes of school safety and security, the school may design a visible means of identification for visitors while on the school premises.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher and principal's permission (*Education Code* Section 51512).

Parent/Teacher Conferences – Parent/teacher conferences are scheduled twice during the year for all students. In the fall they are held at the end of the first trimester and again in the spring at the end of the second trimester. The Rocklin Unified School District schedules minimum days during conference week so teachers may have sufficient time to meet with parents. The average length of a conference is 20 minutes and involves reporting progress and creating goals for students. Parents and teachers are encouraged to set up additional conferences as the need arises during the year.

Student Records – The Rocklin Unified School District maintains cumulative records for each student as required by law, and any additional records that would be helpful in providing maximum educational opportunities for students. These records are available for parents to review. Please call the school office to set up an appointment with the principal to review your child's cumulative record.

Complaint Procedures – The school follows the procedures outlined below to address parent concerns and complaints. Please use the following steps if you have a concern:

1. Classroom concerns should first be brought to the attention of your child's teacher. Please call the teacher to explain your concern. Small concerns may be addressed by a phone call; larger concerns are better addressed in a conference.
2. If the classroom concern is not satisfactorily addressed with the teacher or the concern is a school level concern, please call the school administrator. Small concerns may be addressed by a phone call; larger concerns are better addressed in a conference.
3. If the concern is not satisfactorily addressed with the school administrator, the parent may schedule a meeting with a district representative.

The District assures that students, employees, parents or guardians of its students, school and district advisory committees will not be discriminated against. Unlawful discrimination complaints may be filed using the Uniform Complaint Procedure (UCP). The annual notice of the UCP is in the appendix of this handbook. Also, see the appendix for the Annual Notification of Title IX / Gender Equity. A copy of the UCP is available at the District Office from the Human Resources Department.

Volunteers - We strongly encourage and wholeheartedly welcome parents at Cobblestone! In addition to attending Back to School Night, Fall Conferences, Spring Conferences and Open House, we hope that each parent would strive to volunteer 10 hours assisting in the classroom or with school programs. Our PTC is an active organization that sponsors activities and raises money to support student field trips and assemblies. They are always in need of assistance. In addition, parents are needed to serve as Site Council members, Library Aides, Classroom Assistants, Cafeteria Supervisors and Office Volunteers as well as to help with special activities such as fundraisers, award assemblies, Mini Olympics, and a host of other events.

For the safety of all our students, all volunteers must be fingerprinted and complete a background check. Volunteers must also submit proof of TB testing before beginning service on campus. For this reason, siblings are not permitted on campus while volunteering. If you're interested in volunteering, please refer to the Rocklin Unified School District Website for more information [Become a Volunteer](#) or contact the front office.

The procedures are described in the Appendix – Use of Volunteer Services (Board Policy / Administrative Regulation 1240)

Parent Teacher Council (PTC) - The Cobblestone PTC is a fundraising and activity oriented organization that works to better the educational experiences of our children, support the teaching staff, and be active in community service. Throughout the school year, fundraisers are held to help support many areas of need, such as technology and educational assemblies. In addition to raising money, the PTC is also active in community service by hosting special events including Trunk or Treat, dances, campus beautification and movie night. PTC meetings are held monthly, and there is always a need for volunteers to help with the many activities planned.

Come when you can, sign up for events you will enjoy, and become an active participant in your child's educational experience! The PTC website address is <https://www.cobblestoneptc.org/> and their email is ptccobblestone@gmail.com.

SAFETY

Student Safety (Reference [Board Policy/Administrative Regulation 5142](#)) – The Board of Trustees places high priority on safety and on the prevention of student injury. Principals and staff are responsible for the conduct and safety of students from the time they come under school supervision until they leave school supervision, whether on school premises or not. The Superintendent or designee shall establish regulations and procedures as necessary to protect students from dangerous situations.

The Superintendent or designee shall ensure that teachers, teacher aides, yard aides, and volunteers who supervise students receive training in safety practices and supervisory techniques which will help them to forestall problems and resolve conflicts.

The following visitor regulations shall be in place at each school site:

- All visitors, including parents, must sign in at the office.
- All unknown visitors will show proof of identity.
- Uniform identification badges will be used throughout the district.
- Picture identification badges will be used by District employees who visit campuses (i.e. superintendents, maintenance, and transportation/cafeteria supervisors).
- A “buddy system” will be in effect for grades K-3; students will have a companion when leaving the classroom (this is recommended for students in grades 4-6, but is not mandatory).

Emergency Cards – Student emergency cards must be kept current. If a student becomes ill or is injured at school, we must have a phone number where we can reach the parent, guardian, or a designated substitute. Your child will not be released to an adult unless the adult is on the emergency card. This information should be uploaded annually and any time there are changes to authorized emergency contacts. These changes must be made by the parent/guardian via the [Aeries Parent Portal](#).

Accidents – If a serious injury occurs on the school grounds or on the bus, parents will be notified and asked to pick up the child for their own observation or examination by their family physician. Parents will be promptly notified of all injuries not considered minor. It is critical that parents/guardians keep the emergency card up to date. If the accident is serious the school will call 911 and notify the parents immediately.

Emergency Situations – The Rocklin Unified School District has plans and preparations for major emergency situations. Our staff has been trained and drills are held regularly to make certain that the students understand emergency procedures.

Please inform your children that they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind and inspections are made regularly to remove possible hazards. Personnel are trained in first aid. Our primary concern in the event of an emergency is the safety and welfare of the students.

Please instruct your children to obey the directions of their teachers and follow the directions of the bus driver if they are on the bus. If walking or riding a bicycle, your child should continue toward their destination when an emergency situation develops.

Your cooperation is asked in any emergency:

- Please avoid calling the school. Telephone lines will be needed for emergency situations.
- Please avoid driving to school. Streets should be as open as possible for emergency vehicles.
- Turn your radio to any of the local Placer/Sacramento County radio stations. Information and instructions for picking up students during or after an emergency will be given over the radio. AM – KAHN 950, KFBK 1530; FM – KHYL 101, KBEB 92.5.
- In the event your child’s school must be evacuated, your child will be transported to another school. The school of choice will be determined by the nature of the emergency. Specific information will be broadcast on the local radio stations listed above.
- The school will utilize ParentSquare to update you with key information regarding the situation.

Office Telephone – The office telephone is for **emergency** use only. Please make after school arrangements with your child in advance. Office staff are not permitted to interrupt classroom instruction to relay messages to students.

Emergency situations should be communicated to the principal and necessary actions will be taken to ensure appropriate communication occurs.

Safety Drills – In accordance with state law, an emergency drill is conducted every month. Students are expected to respond quickly and safely as directed by their teacher. If you are in your child's classroom during a fire drill or a lockdown drill, please stay with your child until the drill is over.

Safe Arrival and Departures – The Rocklin Police Department and our school officials work closely to plan for the safe arrival and departure of students. We are asking for your support and help in the safe loading and unloading of children.

- Assist us in teaching your child to use the crosswalks when coming to school and leaving school.
- Do not stop your vehicle in the crosswalk or in front of the driveway to deliver or pick up your child. California State law prohibits stopping in a designated crosswalk. This constitutes a moving violation.
- Teach your child to walk, not run, in the crosswalk.
- Do not leave your vehicle unattended in the loading and unloading zones.
- The bus lane is for buses only. Do not use it for drop off or pick up.

PLEASE ADVISE ANY DRIVER WHO MAY TRANSPORT YOUR CHILD OF THESE REGULATIONS.

Dogs on Campus – Due to health reasons, dogs are prohibited from being on the school campus during, before, or after school hours. The only exception is when a pet is part of an arranged presentation. In that situation, the pet must arrive shortly before the scheduled time and be removed immediately after the presentation ends.

We kindly ask that families do not use the school field or playground as a dog park, even after school hours. Our after-school care program runs until 6:00 p.m., and students regularly use outdoor areas for activities during that time.

Cobblestone Arrival/Dismissal Procedures 2026-27

Dear Cobblestone Families,

Student safety is very important to us. Please review our school arrival/after school pick up procedures for students in grades TK-6. Your support of these guidelines will allow us to get students to class quickly and safely in the mornings as well as help maximize our instructional time with students and contribute to enhanced student safety in the afternoons.

Arrival Procedures

Our school arrival procedures are in place to ensure a safe, calm start to the school day for all students. We appreciate your support in following these guidelines!

What time does school start?

School begins at 7:50 a.m. for all students.

When should my child arrive at school?

Students may arrive as early as 7:40 a.m. and may enter campus once the opening bell rings at 7:40 a.m. Music will play signaling students may proceed to their classroom. School begins at 7:50 a.m. At 7:50 a.m. the music will be turned off and students will need to check in the office before going to class. Students should NOT arrive before 7:40am.

Where does my child go when they arrive at school?

Students may come on campus no earlier than 7:40 once the opening bell rings and morning music begins. Students may enter campus at the front of the school, through the fire lane, at the back gate that borders Pebble Creek Park, or the stairs by the bus lane. Parents may walk their children down the fire lane but may not go beyond the red boundary lines. Students are to walk directly to their classroom. All playgrounds are closed before school.

Can I walk my child to their class in the morning?

With arrival being a busy time and with an open campus, we are better able to monitor pedestrian traffic by allowing only students and staff on campus at this time. We ask that parents say goodbye to their children at the entry points to the school or before the red line in the fire lane.

What about TK and K students?

School arrival is an opportunity to build student independence. Our arrival procedure below gradually provides for this to occur:

First 3 days:

For the first 3 days of school, parents may walk their child to the classroom and help them get settled at 7:40 am. Parents are expected to leave promptly at 7:50 am when the bell rings. If students arrive at 7:50 am, students should be dropped off and parents may not enter the classroom.

Second week:

For the second week of school, parents may walk their child to the classroom starting at 7:40 a.m. but drop their child off at the door and not enter the classroom. Parents should not linger outside the classroom and are to leave campus at the 7:50 a.m. bell.

3rd Week:

Starting the 3rd week of school, parents of students in Room 3 (Arreola) say goodbye to their children at the gate by the bike racks and students walk independently to their classrooms. Students in Room 1 and 2 (Martin and Bevilacqua) say goodbye at the edge of the grass on the kindergarten playground. The double gates will be open.

Rainy Season:

When rain begins in about November, the double gates to the Kindergarten grass area will be closed due to muddy conditions. Parents will say goodbye to students in Room 1 and 2 at the gate by the bike rack and can watch from the fire lane as their children walk independently to their classrooms.

What should my child do when they arrive in class between 7:40-7:50 a.m.?

Upon entering the classroom teachers will greet your child and students will report to their assigned seat and follow guidelines set by the teacher which will include hand washing and organizing materials.

Are parents permitted on campus before school begins?

Unfortunately, parents are **not** permitted on campus at arrival. Exceptions may occur, but are handled individually by working with the Principal. Any approved visitor will check in the office and be issued a visitor badge that must be visible to others while on

campus. When leaving campus, visitors also will need to check out and return the badge in the office. Badges not returned may jeopardize visiting campus on future days.

What if I need to talk with my child's teacher really quickly before school? As the main responsibility of teachers at this time is to supervise students, they are not available to speak with parents. Teachers are available before student arrival by appointment and can meet parents in the office when a time has been prearranged. Urgent communication with the teacher can be given in the office or through email.

What if my child arrives after 7:50 a.m.?

Parents and students should come to the front office to check in. Young students will be walked to the classroom by staff. Older students will be given a pass and directed to report to their classroom.

DISMISSAL PROCEDURES:

Once school is dismissed, everyone is expected to use the sidewalks, walk and use conversational voices. School business occurs on the campus after dismissal so we ask that families use Pebble Creek Park for extended playtime for students which is conveniently located next to our campus. Pets are not permitted on campus.

Dismissal Do's:

Use crosswalks
Wait for the crossing guard
Be cautious of and yield to our crossing guards

Dismissal Don'ts:

Park in crosswalks, white zones or red zones
Make U turns on Cobblestone Drive
Block the fire lane on Cobblestone Drive
Use the bus lane
Bring pets to campus

Pedestrians:

Transitional Kindergarten:

TK parents are to wait in the Parent Zone in the fire lane. Children are picked up outside the classroom door at 1:10 pm on Mondays and 1:20 pm T-F. (12:10 pm on Minimum Days) but are to wait in the parent zone until the classroom teacher opens the door.

TK parents in Room 1 (Martin) are to wait by the steps near the bus lane on Cobblestone Drive. Students are picked up outside the classroom door at 1:10 pm on Mondays and 1:20 pm T-F (12:10 pm on Minimum Days). Parents are to stay near the Room 1 door/stairs bus lane area and avoid going further onto campus.

TK students not picked up by 1:15 pm will be escorted to the office and parents contacted.

Kindergarten:

Kindergarten parents are to wait by the steps near the bus lane on Cobblestone Drive. Students are picked up from the Kindergarten front doors. At that time, parents are invited down the steps to pick up their children at 1:10 on Mondays and 2:10 p.m T-F. On minimum days, pick up time is 12:10 a.m. Younger siblings must be in the immediate proximity of the adult they are with and are not permitted to play while waiting. Older siblings that attend CS may pick up younger siblings after the 2:20 p.m. dismissal bell. Kindergarten students not picked up by 2:25 p.m. will be brought to the office and parents contacted.

1st-6th Grade:

At 2:20 p.m.(1:20 p.m. on Mondays and 12:20 p.m. on minimum days), parents may meet their child at a prearranged spot, in front of the school or in the fire lane. **Parents who are picking up their child after school are to wait in one of the three designated areas. Parents arriving before the bell at 2:20 p.m. may wait in one of our three PARENT WAITING ZONES. They are located in front of the Multipurpose room, in the fire lane by the Kindergarten playground or at the back gate by the basketball courts.**

After school, students are to go home before meeting friends in the park to play unless they are supervised by a parent/guardian. Students are not permitted on campus until after 6:00pm on weekdays as the campus is used for daycare.

Scooters/Bikes: Students are permitted to ride their bikes to and from school. Class 1 ebikes are permitted. Escooters & class 2, 3 bikes are not permitted. Students must wear helmets, walk bikes on campus and in the fire lane, lock bikes or non-motorized scooters in bike cage, and be cautious around traffic and pedestrians.

Electric Scooters: Electric Scooters are not allowed. Electric bikes - class 2,3 are not allowed per board policy.

Bus Riders: Walk to bus lane and wait on sidewalk until bus arrives.

Day Care Pick Up: Please check with your Day Care or After School Care provider.

Catalyst Kids: Students walk to Club Rocklin. Kinder and TK students are picked up at their classroom by Club Rocklin staff members.

ELOP: Students walk to ELOP. Kinder and TK students are picked up at their classroom by ELOP staff members.

Car Pick Up: Parents may wait on Cobblestone Drive in their vehicles, park in the school parking lot, park in areas not designated as waiting areas, or circle the loop in the parking lot. Please be patient and avoid use of cell phones while circling the parking lot. Students must be with an adult to enter the parking lot area.

We thank you for your support in following our arrival/dismissal procedures. Our goal is to support a calm, safe process for students arriving and leaving campus. Of course if you have any questions, please feel free to contact the principal.

TRANSPORTATION

School Year Bus Pass Information - General Education and Special Needs Bus Pass Applications are available on line on the Transportation page of the Rocklin Unified School District website. A new application MUST be on file each year the student rides the bus. Payment or approval for a Free/Reduced Bus Pass needs to be processed before a student receives bus services. Transportation is available only to the neighborhood stops in which the student lives and no services are offered for Intra or Inter-District transfers.

Paper applications can also be obtained from the Transportation Department at 2225 Corp Yard Rd (next door to UPS, off of Sierra Meadows Drive), Rocklin, CA 95677

For information regarding bus passes please contact the Transportation Department at (916-624-9106) or email to buspass@rocklinusd.org

If a student needs to use an alternative drop off stop for the day, a parent or guardian must send a written note to school with the student or contact the Transportation Department directly to authorize the change in release location for that day.

Transportation Safety Plan - RUSD Transportation Safety Plan will be provided to each student and family applying for transportation. The Safety Plan outlines the expectations for each student's behaviour and guidelines that will need to be followed for safely walking to a bus stop and loading a bus for transport.

Red Light Escort - School Bus Drivers in the Rocklin Unified School District shall escort all students who must cross the street on which the bus is stopped for the purpose of loading and unloading students.

HEALTH SERVICES

Health Office Information - The school health office is staffed by a part-time health aide. Please refer to the Annual Parents' Rights Notice for a complete description of pupil health, safety and medical treatment information. For additional Health Information please reference www.rocklinusd.org/Health.

The school health office provides temporary care to students who are sick or injured at school. Students cannot be diagnosed by the health office; your child's physician will need to provide a proper diagnosis. Students will only be released to persons listed on the Emergency Card and 911 will be called if the situation could be life threatening.

Medications Reference ([Board Policy 5141.21](#)) - The school health office also supervises students who are required to take medication during the school day. A written authorization from the student's physician and parent or guardian is required before trained designated school staff can assist the student in taking **any** medication, including medication prescribed by the physician and over-the-counter medications such as Tylenol, Motrin, cough drops, and ointments.

These medication forms are available in the school office and the RUSD Health Services Webpage: www.rocklinusd.org/Health.

Any medications that will be stored in the Health Office must be signed in by a parent/guardian and staff member. The Health Aide/staff member will verify that the medication matches the physician's orders in name, dosage, and expiration date as well as the quantity, and form (liquid, pills, inhaler, nasal spray, eye drops, etc.)

All medication must be in the original container and placed under lock and key in the health office in the administration building for the safety of all students. ***Students are not allowed to carry any form of medication (prescription or over-the-counter) at any time while on campus*** except those medications that a physician requests the pupil be

allowed to carry (e.g., inhalant for asthma, Auto-injector Epi-Pen for severe allergies). Doctor's orders are required to be kept on file at the school for a student carrying authorized medication and updated annually. When on a field trip, the medications shall be monitored by and in possession of a teacher at all times.

Prior to the beginning of school, please notify the school health office in writing of any chronic health issues, such as heart problems, diabetes, severe allergies, hearing loss, vision/glasses, chronic pain, asthma, seizure disorders, etc. This enables the school to communicate the necessary accommodations to appropriate staff to ensure that student health needs and safety are cared for.

Health Screening – California schools must conduct vision and hearing screening on all students upon school entry and every third year through eighth grade. (California Code of Regulations, Title 17, Section 2952 (c)(1)). Hearing screening in California public schools must be conducted by a credentialed school audiometrist. Rocklin USD screens all students for hearing in transitional kindergarten, kindergarten/first grade and in second, fifth, eighth, and upon first school entry. Screening for vision is done in transitional kindergarten, kindergarten, second, fifth, and eighth grades. Vision, hearing, and other mandated health screenings are overseen by the school nurse at specific grade levels, for all new students to the District, annually for special education students, or upon teacher or parent request. A screening service (not requiring parent permission) is provided by the Language, Speech, and Hearing Specialist in the areas of articulation and language at specific grade levels or upon teacher/parent request.

Home Hospital Instruction – If a doctor feels your child will likely be out for **4 weeks or more**, then you may apply for Home Hospital Instruction in the Administration building at your child's school. A teacher will then be assigned to visit your child at home or in the hospital. This is only available for students who will be absent from class for 4 weeks or more. The student may not return to school without a physician authorized return date.

Immunizations – Under the California School Immunization Law (California Health and Safety Code, Sections 120325-120375), children are required to receive certain immunizations in order to attend public and private elementary and secondary schools, child care centers, family day care homes, nursery schools, day nurseries and developmental centers.

[The California School Immunization Law](#) also requires schools, child care centers, and family child care homes to enforce immunization requirements, maintain immunization records of all children enrolled, and submit reports to the local health department. Students have 10 days from the time of notification to provide documentation of missing immunization; students who do not have proof of immunization shall be excluded from school.

The law will require students enrolling in public or private schools in California to be vaccinated for:

1. Diphtheria
2. Haemophilus influenza type b (Hib meningitis)
3. Measles
4. Mumps
5. Pertussis (whooping cough)
6. Poliomyelitis
7. Rubella (German measles)
8. Tetanus
9. Hepatitis B

10. Varicella (chickenpox)

For students starting school prior to the age of 4, please contact the school health office with questions regarding vaccination requirements.

If you would like your child to attend school, without proof of the legally required vaccinations, California law requires that you complete the process to obtain a medical exemption. First, you are required to register for a CAIR-ME account, at <https://cair-me.cdph.ca.gov>. On this website, you will need to complete the required information to request an exemption. From there, you will need to contact your doctor with your "Medical Exemption Number" to complete the required information about whether or not a medical exemption is warranted.

For more information please visit:

www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/School/shotsforschool.aspx

Health Services Webpage – Please note that all of the information above and more can be found on the Health Services Webpage: www.rocklinusd.org/Health.

ACADEMIC INFORMATION

California Assessment of Student Performance & Progress (CAASPP) – Each spring students in grades 3 through 6 take the CAASPP which is aligned to California's new, rigorous academic standards. Students who are identified as English learners in grades K-6 are administered the English Language Proficiency Assessment of California (ELPAC) each spring until they reclassify out of the English Language Development program. Student score reports are made available through the Aeries Parent Portal by August of each year.

Homework - Homework should be an extension or independent practice of what was learned in school. Students are expected to complete and hand in homework when assigned. (See the attendance section for requesting homework after or during an absence.)

Standards Based Grading – Instruction is focused around the standards identified for each subject in each grade level. Students are provided with information about how their work will be evaluated and how their level of proficiency will be determined. Teachers modify instruction to meet a wide variety of learning styles and levels of ability.

A student's progress is summarized every trimester on a standards based report card. The report card will indicate the status of your child's work based on mastery of skills for each trimester.

Promotion / Retention Information (Reference [Board Policy/Administrative Regulation 5123](#)) - The purpose of retaining students is to provide additional opportunities for a student to learn grade level skills. Legislation (AB1639) requires that all school districts establish a promotion and retention policy. AB1639 also requires school districts to offer supplemental instruction to students with low reading, writing, or math achievement.

Students are required to demonstrate that they have mastered grade level expectations in order to be promoted to the next grade. Grade level expectations are based on the following:

- Scores on achievement tests
- Teacher evaluation of student's abilities and effort

- Student's motivation level
- Proficiency assessments
- Parental involvement and family commitment to supporting the student's academic achievement
- Attendance

When a student is identified as being at risk for retention or recommended for retention, the school shall provide opportunities for remedial instruction to assist the student in overcoming the academic deficiencies. Such opportunities may include, but are not limited to, tutorial programs, after-school programs, summer school programs, and/or the establishment of a student study team.

The Superintendent or designee shall communicate in the strongest terms possible, the urgency of the student attending the recommended remedial instruction and learning the necessary skills. To fail to do so shall severely jeopardize the student's opportunity to be promoted.

If a student is identified as performing below the minimum standard for promotion, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement.

If the teacher's recommendation to promote is contingent on the student's participation in a summer school or interim session remediation program, the student's academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time.

Teacher Training / Planning Time - The District schedules one hour every Monday afternoon for articulation in grades TK-12.

Teachers will utilize TK-12 articulation days to receive specialized training in a variety of instructional practices including reading recovery, differentiated instruction, guided reading/writing, assessments, and mathematics. District-wide in-services are organized to allow our teachers adequate time to plan curriculum and align our instructional program with state mandates. Additionally, teachers will be able to share what is working well in their classrooms with their colleagues to improve student achievement for all our children. If you have any questions, please contact your child's school.

Student Success Team (SST) - The Student Success Team is a school-site team, which identifies effective strategies to meet the needs of individual students who are not progressing due to academic, behavioral, medical or other concerns. The Student Success Team process is a collaborative process between the school and the parents on behalf of the student. The parent, teacher or other staff may make requests for assistance to the Student Success Team through the school; student success team coordinator or the principal. The Student Success Team meeting will include the parent, the student (if appropriate), the student's teacher, administrator, team coordinator, general education teachers and other support staff as needed.

Special Resources - A variety of special resources and programs are provided for students with unique needs. To qualify for programs, students need to be referred through a meeting of the Student Success Team or demonstrate unique needs on assessments. These programs include:

1. **Special Education:** The district strives to provide an educational program to meet the needs of all school-aged children within the district. The district provides special education services described in Education Code (56000-56001). A student shall be referred for special educational instruction only after the resources of the regular education program have been considered and/or modified. If a student is referred to special education, parents will receive a notification of rights and an explanation of proposed assessments. Following assessments, a report of findings will be written and an IEP team will meet with the parent to develop an Individualized Education Plan. This plan and the student's progress based on the plan will be reviewed with the parent/guardian at least annually. Special education programs include the Special Day Class, Resource Specialist Program, and speech and language services.
2. **Speech and Language:** The speech-language program in the Rocklin Unified School District serves students from three years of age through twelfth grade. Students may be referred to the speech-language pathologist at their school for a speech-language screening by their teacher, parent, and the student study team or other concerned individuals. Students who qualify for the speech-language program may be served in a variety of ways. Students may attend individual or small group sessions, or be served in the regular classroom.
3. **Psychologist:** Psychological services are available to the school as the need arises throughout the year. A psychologist is available on a limited basis for testing children and working with parents and teachers.
4. **Counselor:** Elementary school counselors play a key role in supporting all students by delivering Tier 1 and Tier II services through classroom-based lessons focused on academic, social/emotional, and behavioral development. In addition to whole-class instruction, they provide targeted support through skills-based small groups and individual counseling, which are accessed through a request or coordination process. Counselors collaborate with staff and families to promote access and student success across all domains. Students in 5th and 6th grades can ask to speak with the counselor but ongoing sessions require parental consent as does participation in small social skills groups. Cobblestone has a part-time school counselor.
5. **English Language Development:** Students who are non-native English speakers are assessed to identify their level of fluency in English. Students who are not fully fluent in English participate in the English Language Development program to increase their English fluency and vocabulary. Teachers use specific instructional strategies to help students learn the curriculum while learning English.
6. **Intervention:** This program helps students who are below standard in core academic subject areas. Small group instruction may be provided as an extension to the regular school day or occur during the school day.

Special Programs -

1. **Visual and Performing Arts (VAPA):** RUSD provides a balanced curriculum, with arts as part of the core for all students, kindergarten through grade 12. Programs and curriculum incorporate the following four components in alignment with the California State Framework for Visual and Performing Arts: Dance, Music, Theater, and the Visual Arts. The components of the arts education are: (1) Artistic Perception, (2) Creative Expression, (3) Historical and Cultural Context, and (4) Aesthetic Valuing.
2. **Art Docent:** The Docent Program facilitated by Cobblestone PTC, has been an important part of arts education in Rocklin schools for over eighteen years. Adults—parents, grandparents, and friends—who wish to volunteer their time are provided training in September for the grade level they have requested to teach.

Art Docents (TK–6th grade) present lessons that highlight the work of an artist, including a discussion of the artist's life, art style, and techniques. Students typically get a hands-on opportunity to create their own masterpieces inspired by the lesson. Being an Art Docent is a very rewarding way to share in your child's classroom experiences. You need not have any previous art or teaching experience, just enthusiasm and a passion for art!

3. **Instrumental Music:** Music instruction in strings, band, and choral music will commence in 4th grade. At this grade, students will be exposed to all three areas of music. In 5th and 6th grades, students will attend music twice weekly for 40 minutes. At these grades, students will choose to focus on string instruments, band, or choral music.
4. **K-2 Dance & Rhythm:** K-2 students experience a dance and rhythm class for half of the year for 40 minutes every other week. In the dance and rhythm class, students will explore creative movement, basic dance steps, and rhythmic patterns through music and games. It is a joyful way to build coordination, confidence, and teamwork while promoting self-expression.
5. **Gifted and Talented Education – GATE:** (Reference [Board Policy/Administrative Regulation 6172](#))

The mission of the Rocklin Unified School District's Gifted and Talented Education (GATE) Program is to identify gifted and high achieving students, including those from diverse racial, socio-economic, linguistic, and cultural backgrounds, and to provide high quality differentiated instructional opportunities for learning that meet the needs of these students' unique abilities and challenge them to enhance their learning in our schools. Please visit our district website at <https://www.rocklinusd.org/Departments/Educational-Services/School-Programs/GATE/index.html> to learn more about testing options.

Every school in the Rocklin Unified School District has a GATE program. Self-contained classrooms for GATE students in grades 2 through 6 are located at Rocklin Elementary School. All other elementary schools have GATE cluster classrooms within the general education classrooms in grades 2-6. Both middle schools have GATE Academies and both of our comprehensive high schools offer honor and AP classes (see the Academic Planning Guide on both Rocklin H.S. and Whitney H.S. websites for more information.)

6. **Physical Education:** Physical education is vital to the long-term health and well being of our students. It greatly contributes to the development of physically, mentally, socially, and academically balanced individuals.

Physical education is not interchangeable with recess. It is a sequentially taught, developmentally appropriate program which addresses areas such as body mechanics, social interactions, establishment of personal goals, good sportsmanship, safety, and enjoyment.

A quality physical education program at the elementary school level is essential for the introduction and development of movement skills necessary for successful participation in sport and fitness activities through teen and adult years. Eighty (80) minutes per week of specialized P.E. instruction is provided to each student in grades K through six. Another 20 minutes of instruction is provided by the classroom teacher.

7. **School Sponsored Trips** (Reference [Board Policy/Administrative Regulation 6153](#))

Field Trips requiring Board of Trustees approval include travel of students to any location outside of California excluding Washoe County, Nevada.

Co-curricular Field Trips are defined as activities that may be associated with the curriculum in a regular classroom. These are outgrowths of classroom activities and serve as valuable supplements to the regular classroom program. They are designed to encourage and/or reinforce classroom instruction and may be funded by the district. Class trips involving short distances by bus or walking are encouraged, whereas trips involving many miles of travel are discouraged.

Extracurricular Field Trips are activities which include, but are not limited to, athletic events, cheerleading, and the variety of events sponsored by school clubs and organizations as approved in writing by the Principal. These activities provide students with opportunities to participate in educational, social, and intellectual development of the students.

Students must have written parental permission in order to participate in trips requiring transportation (Education Code 35350). The district shall provide an alternative educational experience for students whose parents/guardians do not wish them to participate in a trip. Students who do not have written permission may not be allowed to participate in a particular field trip. Only students who are members of the class may attend the field trip activity.

All chaperones going on field trips must be fingerprinted (forms are available in school offices; school staff will provide instructions).

Parents who wish to accompany their own student on a field trip and are not a chaperone may do so. However, their student will be assigned to a group and a chaperone, and that parent will need to “buddy-up” with the chaperone assigned to their student. Parents who are not serving as chaperones will need to provide their own transportation on field trips.

Field Trip Refund Policy

The cost for field trips or special events requires a minimum number of attendees to be viable. As such, we are unable to refund any fees once paid unless the event or trip is canceled in its entirety. Even in the event of cancellation, refunds are not guaranteed and will depend on the terms of the contract with the venue or organization. Please note that if the school is required to cover the cost for your student due to non-payment, donation refunds will not be issued. Field trips are made possible through generous family donations — Thank you for your continued support!

Field Trip Chaperone Guidelines

While field trips may occur in public spaces, they are private school events. All chaperones must be cleared through the district’s fingerprinting and background check process. Please note that for events with space limitations, not all cleared individuals will be able to attend. Chaperones are responsible for covering their own costs and must provide their own transportation to and from the venue. All students are required to ride the school bus both to and from the field trip location. Chaperones are expected to focus entirely on student safety and supervision; therefore, siblings are not permitted to attend.

STUDENT INFORMATION

Bicycles, E-Bikes, and Scooters - Rules for Getting To and From Your RUSD Elementary School

RUSD supports healthy, eco-friendly, and lawful ways for students to get to and from school. Elementary students are welcome to ride **bicycles**, **non-motorized scooters**, and **Class 1 e-bikes**, as long as they follow the rules outlined below to ensure everyone's safety:

 **Elementary Guidelines for Bikes and Scooters (Updated 5_1_26).pdf**

Big Buddies - All classes are matched up with buddy classes. Upper grade students work with students in the primary grades as mentors. This helps provide academic and social support to younger children while reinforcing a leadership role for our older students. This program also helps foster a school-wide family feeling.

Birthdays - A child's birthday is a family celebration. We do not permit the use of instruction time to "celebrate" a child's birthday. Balloons, presents, etc., should be presented to your child **at home**. Cake, candy or cookies at school are not permitted. Instead, student birthdays will be celebrated at school by having the student's name read during morning announcements and they will receive a birthday pencil, bookmark, bracelet or other recognition. Treats or any other items brought from home to distribute to classmates will be returned at the end of the day. To avoid hurt feelings, please refrain from distributing birthday or party invitations at school unless the entire class is invited.

If you wish to prepare a **healthy snack** for your child's class during recess, please make arrangements with the teacher prior to bringing it in as some children have food allergies. As part of our efforts to promote healthy choices, we strongly encourage bringing in juice, fresh fruits, low sugar nutrition bars, berries and yogurt or other healthful fun snacks. Once again, we would prefer that cakes, cupcakes, cookies, and candy are **NOT** brought to school. We appreciate your support in giving our students healthy choices.

All treats should come to school with your child and they will be responsible for getting it to their classroom. In the event you have a small child who cannot carry these items, parents should deliver to the classroom prior to the morning bell. The front office will not interrupt instruction to notify classrooms of deliveries and does not have the space to store deliveries for students. We appreciate your partnership in supporting a healthy and focused learning environment.

Books and Materials - Each student is issued a set of books and math tools at the beginning of the school year. It is recommended that books be covered with book covers. Students are expected to care for the books and materials and return them in June in a similar condition. Students will be charged for excess wear and tear on materials, or lost books and math tools. Report cards will be withheld pending payment.

Cellular Device Usage Guidelines

 **RUSD Elementary Cellular Device Usage Guidelines (1.29.25).pdf**

In order to maintain a focused and productive learning environment, the use of cellular devices, including cell phones, smartwatches, and other similar devices, is strictly regulated on all elementary school campuses (grades TK-6). The

following policy outlines the expectations and guidelines regarding these devices.

1. Prohibited Use on Campus:

- **During School Hours:** Cellular devices must not be seen or heard from the morning bell to the dismissal bell. This includes, but is not limited to, cell phones, smartwatches, and other similar connected devices.
- **Before and After School:** Cellular devices are not to be used on campus before the morning bell rings or after the dismissal bell until the student has left school grounds. However, a student may use a cellular device after school at the curb in the student pick up area to communicate with parents/guardians to arrange transportation.
- **Field Trips:** Cellular devices are not to be used on buses or field trips.

Should students need to contact their parents while on school campus, during school hours, or on field trips, they should go to the main office to make a phone call or work with their teacher to make contact.

Parents of students with unique health needs that require a cellular device should work with their school site principal and health office to make the necessary arrangements.

2. Storage of Devices:

- **Backpacks:** Students must keep their cell phones and other cellular devices in their backpacks. These devices should remain turned off and should not be visible or audible during school hours.
- **Classroom Storage:** Teachers may provide a receptacle for the storage of cellular devices during the instructional day.

3. Confiscation:

- **Violation of Policy:** If a cellular device is seen or heard during the prohibited times, school staff have the authority to confiscate the device.
- **Retrieval of Confiscated Devices:** Confiscated devices will be held in the school office and can be retrieved by the student or parent at the end of the school day.

4. Parental Support:

- We ask for the support of parents and guardians in reinforcing this policy. Please ensure your child understands the importance of following these guidelines for the benefit of their learning and the school environment.

RUSD elementary schools are not responsible for lost or stolen phones or other cellular devices.

Gum - Gum is not allowed at school.

Lost and Found - Parents are strongly encouraged to label jackets, sweaters, and lunch boxes with their owner's name. "Found" articles will be kept in the lost and found bins located in the Multipurpose Room. If items are not claimed, they will be donated to a charitable organization in December and June.

Library Usage and Behavior - Students may use the library any time during school hours under the supervision of an adult in charge. This may be a scheduled class visit, or an individual visit by permission of the teacher and the librarian for independent study. Students must have a pass to enter the library during school hours, including lunch, if not accompanied by a teacher or teacher assistant. NO STUDENT may be in the library unsupervised at any time.

While in the library, students will follow school rules and are expected to conduct themselves responsibly. Loud talking, running, eating, and drinking are not appropriate in the library. Students exhibiting these behaviors will be asked to leave.

Students may borrow books for a two week period of time. The number of books a student may have checked out at any one time is determined by grade level. If students have any overdue books, they will not be allowed to check out any more until the overdue has been cleared.

Library Book Damage or Loss - Students are expected to pay for excessive damage to library books or for the loss of books. The cost will be determined by the current replacement cost of the book(s). Students who do not meet those obligations lose further borrowing privileges and report cards will be withheld until such obligations have been met.

Personal Property - All students should mark personal belongings with first and last name before articles are brought to school. This includes lunch boxes, backpacks, coats, sweaters, umbrellas, gloves, binders, etc.

Valuables, expensive items, and electronic items other than cell phones (see specifics about cell phones on page 27) should be kept at home and are also **not allowed on field trips**. All toys, including playground equipment such as basketballs, baseballs, bats, and gloves, etc. should be left at home. An item can be specifically approved to be at school by the teacher, but the school or district is not responsible for loss or damage to personal items. If an item is brought to school without permission, it will be confiscated and returned only to the parent.

Dangerous or illegal items are not allowed at school and in some cases suspension or expulsion of the student can occur if such items are brought to school.

Student Clubs and Extracurricular Activities - Each year the school strives to provide a variety of clubs and extracurricular experiences for students to extend their learning and explore other areas of interest. These vary from year to year. Please check with the school for current opportunities.

Student Council - Student Council representatives who meet the eligibility requirements are elected from each 6th grade classroom, in addition to some select 5th graders. Students choose from a variety of committees to join, including but not limited to: Assembly, Campus Beautification, Library Helper, and Primary Classroom Helper. Past student council activities include aiding PTC in school-wide campaigns, participation in Service learning campaigns, and much more related to committees. A teacher serves as an advisor and works with our student leaders.

STUDENT CONDUCT

What is School Wide Positive Behavior Expectations and Supports (SWPBIS)?

At Cobblestone, student success includes being a contributing citizen at our school. As a result, we want to be proactive in teaching our students positive behaviors as well as clearly communicating our expectations and recognizing students who are doing the right thing. Towards this end, Cobblestone is participating in a program called "Positive Behavioral Intervention and Supports" or "PBIS". We are using this framework to help our students have a fun, positive learning environment and to provide consistency in all areas of our school.

What does PBIS look like at Cobblestone Elementary School?

We will be using three consistent school expectations called "The Cougar Code".

- Show Respect
- Make Good Decisions
- Solve Problems

You will see these expectations posted throughout the campus. Teachers will use lesson plans to explicitly teach these expectations to our students for all areas of the school (cafeteria, playground, classrooms, hallways, etc.) To reinforce these expectations, your child/children will be receiving individual coupons when seen demonstrating behavior that supports The Cougar Code. Students will be able to exchange these coupons for special privileges in their classroom.

Social Skills Development -

In our continued effort to provide a physically and psychologically safe environment for students at school, Cobblestone's entire school staff has joined together in an effort to support students by systematically teaching conflict resolution skills. The school recently implemented the Purposeful People Social Emotional Learning program. In addition, the research-based 2nd Step program helps students learn about empathy, impulse control and problem solving. Toolbox self regulation strategies are also included to support positive self management at school. The strategies taught are repeated each year and reinforced at recess by supervision staff. In addition, students participate in classroom meetings, and attend anti-bullying assemblies to learn that we expect people at Cobblestone to treat one another with kindness and do not tolerate behavior that deliberately and repeatedly harms another either physically or emotionally.

Discipline Procedures - Students are expected to know and follow all school rules as well as exercise good judgment in making decisions regarding their behavior. Central to this is the need for students to help create an environment in which everyone can learn and interact cooperatively. Safety, respect, and maintaining a positive atmosphere for learning is everyone's responsibility. When a student's behavior is such that these critical elements are jeopardized, disciplinary action is warranted.

Discipline at Cobblestone is focused on instructing students to learn from their mistakes, teaching students there are consequences for their behavior, and maintaining a positive learning environment. Behavior is best addressed immediately by the adult present when the problem has occurred. In most cases, behavioral concerns are handled by a teacher or by a yard duty supervisor. Repeated problems with behavior or those of a more serious nature may be referred to the school office. The principal or designee will then work in conjunction with the student, parents and referring staff member to resolve the situation in a fair, timely and appropriate manner.

As we believe that the family is key to helping maintain high behavioral expectations, it is important that communication between home and school is emphasized. Parents who have questions regarding their child's behavior or a problem that

has occurred at school are strongly encouraged to contact your child's teacher. If questions still remain regarding a situation, school administration may be involved. Similarly, school staff will contact a child's parents in addressing behavioral concerns when something arises beyond what one might normally encounter on a day to day basis.

Cobblestone has a system of major and minor referrals. Minor referrals are issued when a student continues to have difficulty demonstrating expectations of the Cougar Code despite being taught and retaught. Major referrals are handled by the Principal. These are issued when a child receives multiple minor referrals or is involved in a very serious infraction. Parents are contacted by the Principal or her designee anytime a child is issued a major referral. Every effort is made in working together to address such situations so that a student learns through their mistakes to make better choices and to provide opportunities for restitution.

Bully Prevention

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, lasting problems.

In order to be considered bullying, the behavior must be aggressive and include:

- An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

The RUSD Board of Trustees recognizes the harmful effects of bullying on student learning and school attendance and desires to provide safe school environments that protect students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel.

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee. Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report his/her observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

[SWPBIS Bully Prevention Curriculum](#) (Implemented at all RUSD Elementary Schools)

Cobblestone school wide Bully Prevention Curriculum teaches students how to respond if they feel hurt by words or actions or if they see someone being hurt by words or actions by first telling the person to STOP. If the conduct continues, students should WALK away. If it still continues, students should TALK to an adult. This is referred to as

STOP, WALK and TALK. Serious incidents can and should be brought to the attention of an adult immediately.

These duties shall not include assignment of grades to students (Education Code 45343, 45344, 45349) (cf. 4222 - Teacher Aides/Paraprofessionals), (cf. 5148 – Child Care and Development), (cf. 5148.2 – Before/After School Programs).

Any volunteer working with students in a district-sponsored student activity program shall obtain an Activity Supervisor Clearance Certificate or criminal background check in accordance with Board policy. The Superintendent or designee shall determine which volunteer positions in the district are subject to this requirement (cf. 4212.5 – Criminal Background Check).

"Student activity programs" include, but are not limited to, scholastic programs, interscholastic programs, and extracurricular activities sponsored by the district or a school booster club, such as cheer team, drill team, dance team, and marching band.

2. SCHOOL VISITOR REGISTRATION (Board Policy/Administrative Regulation 1250)

Parent/Guardian: Each parent/guardian desiring to schedule a parent/teacher conference is required under normal circumstances to give a 24 hour notice and report to an area designated by the school principal to sign a register before meeting with the teacher for such conference. A parent/guardian wanting to visit the classroom or view his/her student's

participation in a presentation, demonstration, or performance is required to report to a designated area and register before attending the above mentioned activity. In either case, if the request is approved, the visitor will be announced to the teacher by the office personnel, and the visitation will be coordinated by a school representative. When a parent/guardian comes to the school to attend a pre scheduled conference, e.g., week of parent/conferences, such a meeting/conference is not considered a school visitation and the parent/guardian is not required to register. The Superintendent or designees shall post at every entrance to each school and school grounds a notice setting forth visitor registration requirements, hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements. (Penal Code 627.6) Unless otherwise directed by the principal or designee, a staff member shall accompany visitors while they are on school grounds.

Any person other than the following is considered a visitor and required to register upon entering school premises during school hours: (Penal Code 627.1, 627.2, Evidence Code 1070)

- A student of the school, unless currently under suspension.
- A Governing Board Member or District employee who is required to be on school grounds, or any authorized person who is on school grounds at the district's/school's request. Board members who visit schools of their own volition have no more authority than any other citizen. Board members have authority only in regularly called meetings of the Board, or when delegated specific tasks by Board actions.

REGISTRATION PROCEDURE

In order to register, visitors shall, upon request, furnish the principal or designee with the following information: (Penal Code 627.3)

- His/her name, address and occupation.
- His/her age, if less than 21.
- His/her purpose for entering school grounds.
- Proof of identity.
- Other information consistent with the provisions of law.

LOITERING/TRESPASSING ON SCHOOL GROUNDS

Loitering on school grounds in the District is prohibited. Any individual who is present on a school ground in the District who has no apparent lawful purpose to pursue will be directed to leave the school grounds immediately as per California Penal Code requirements.

DENIAL OF REGISTRATION

The following provisions of law shall apply to visitors:

- The principal or designee may refuse to register any visitor if he/she reasonably concludes that the visitor's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke a visitor's registration if he/she has a reasonable basis for concluding that the visitor's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students or staff. (Penal Code 627.4)
- The principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds and not return within 48 hours (Ed.Code 32211). When a visitor is directed to leave, the principal or designee shall inform the visitor that if he/she reenters the school within seven (7) days, he/she will be guilty of a misdemeanor subject to a fine and/or imprisonment. (Penal Code 627.7)

APPEAL PROCEDURE

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or designee by submitting within five (5) days a District complaint form and by following the District's complaint procedure (Administrative Policy 1312). The final segment in the appeal process is for the Board of Trustees to consider the appeal.

A complete copy of Board Policy and Administrative Regulation 1250 is available in the school office.

3. STUDENT CLASS ASSIGNMENTS ([Board Policy/Administrative Regulation 6152](#))

When assigning students to specific classrooms, the Superintendent or designee shall strive to provide the best possible learning environment for each student. Insofar as possible, consideration shall be given to:

- Recommendations of the current classroom teacher.
- Gender and ethnic balance.
- Academic balance of high, medium and low achievers.
- Balance of students with social or emotional problems.
- Strengths of individual teachers.
- Student's interests, readiness, behavior and motivation.

The Superintendent or designee may accept from parents/guardians any information which would be helpful in making placement decisions. However, parents/guardians who provide such information shall be informed that requests for a specific teacher shall be used as only one of many determining factors which must be taken into account. During the school year, the Superintendent or designee may make any adjustments in class placement which he/she considers beneficial to the student or the educational program.

Class lists will be viewable in the Parent Portal prior to the first day of school for the convenience of students and parents. If parents have a concern regarding their student's placement, the following procedures must be followed:

- Allow two weeks for student adjustment to class.
- Conference with the teacher following the end of the second week of placement.
