Mission Statement: *"Together we ensure that all students will achieve at or above grade level."*

Principal Letter:

Thank you to all of our families who joined us for Back to School Night! It was wonderful to have our campus filled with families and to give our teachers the opportunity to share all of the learning, growth, and exciting experiences ahead for our Tigers this year. We appreciate your partnership and support.

It is hard to believe we have already completed our first three weeks of school! We are officially in full swing, and our students and staff have done a wonderful job settling into routines, building classroom communities, and getting down to learning. It has been a great start to the year!

Be sure to check out our PTA and all of the exciting activities coming up. There are also many opportunities to volunteer and get involved throughout the year. Your time, participation, and support help make these experiences possible for our students, and we would love to have you join us! They also have Spirit gear to sell at great prices.

5th Grade Families: We will be getting you more information about Pali Science Camp. Be on the lookout for that coming in the next few weeks.

We are looking forward to another great week at Tijeras Creek!

Warmly,

Amanda Soboleski

Principal, Tijeras Creek Elementary School

E-Bicycle/Bicycle Districtwide Safety Program

CUSD is committed to ensuring the safety of students who commute to and from school on e-bicycles and bicycles. The District is continuing its partnership with the California Highway Patrol and with Providence Mission Hospital on a proactive approach designed to address student safety concerns, align with District [Board Policy 5142.2](#), and promote responsible riding practices.

We need ALL Tijeras Creek students who are wanting to ride their bikes to school to complete the CUSD E-bicycle/bicycle Safety Course & Presentation + Permit Application 26-27.

Tijeras Creek has a unique Google form/attestation link. Click on the link to complete the form and get your e-bicycle license. (the requirements for the license are on the attestation form.) [Tijeras Creek link](#)

- Students in grades 3-5 may complete the CUSD e-bicycle/bicycle safety course in order to obtain a permit to ride an e-bicycle to school. Students in grades K-2 may complete the CUSD bicycle safety course in order to obtain a permit for a traditional pedal bicycle. For younger students, riding to and from school **with adult supervision** is strongly recommended.
- Class 3 e-bicycles are not permitted for students under 16 years old. Only Class 1 and Class 2 e-bicycles may be ridden to school for students under 16 years old. Additional information about class 1, 2, and 3 e-bicycles can be found [HERE](#).
- No elementary students may ride a powered scooter/e-scooter to school. You must have a valid driver's license in order to operate an e-scooter. [California vehicle code](#) requires operators of motorized scooters to possess a valid driver's license.
- All students riding an e-bicycle and/or bicycle must wear a helmet at all times. Helpful safety tips for e-bicycle/bicycle riders can be found [HERE](#).
