

## Program Advisory Committee

PAC meeting 4-14-26

### **Welcome and Introductions**

**PAC mission statement-** The purpose of this committee is to provide advice and input on how DCA can best meet the needs of our students. The principal and staff will provide information to the committee and ask the committee for input. Together, we will review the status of programs and monitor data in order to determine the effectiveness of our strategies and whether changes are needed.

**Current Enrollment-** K-8 homeschool program- 39 students

9-12 Independent study program- 107 students

### **State Testing**

CAASPP tools and practice tests on the computer.

### **Homeschool Parent Support**

In the homeschool program, parents serve as the primary educators for their children. As the school year ends, it's an ideal time to reflect on and improve our program. What curriculum support do parents need in areas such as English, math, science, social science, art, and health?

### **Stakeholder Input**

- What aspects of DCA could be enhanced?
- What recommendations or strategies would you suggest to improve the DCA experience for students?
