You can order online now and for up to four (4) days after picture day.

Here are some helpful tips to make picture day great!

-  *Schedule haircuts 7-10 days prior to picture day!*
-  *Wear simple clothing. Solid shirts or small patterns, along with sleeves, photograph best. A simple collared shirt is a timeless classic.*

Attendance

It is such a pleasure being part of the Olivehurst Elementary School community! Please be a part of our school community by sending your child to school every day on time. Building a strong foundation of learning starts with consistent attendance. Remember that every day counts. I ask for your support in helping your child get into class on time and be in school and learning to reach his or her full potential. Together we can ensure our students are present and ready to learn every day.

HAPPY KIDS TIP

Reading with your child is one of the most valuable things you can do to support their learning and growth. It helps build their vocabulary, improve comprehension, and spark their imagination. Sharing a book together also creates a special bonding time and shows your child that reading is fun and important. Even just 15 minutes a day can make a big difference in their academic success and love of learning!
