We're here to make civics fun, competitive, and real. Learn how money and government work—while gaming, winning prizes, and outsmarting your friends.

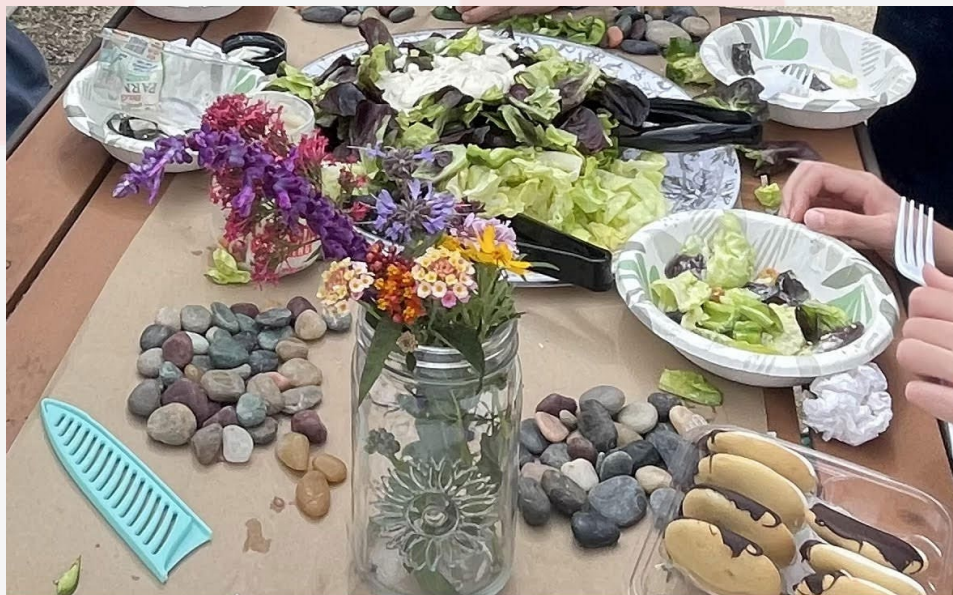

Garden Club

We are excited to introduce you to our **Garden Club**, established in 2022! The club gives students a fun, hands-on opportunity to learn about plants, sustainability, and caring for the environment—all while helping to grow and maintain our school garden.

Our garden is a **Monarch Waystation Certified** site, providing a habitat for monarch butterflies and supporting local pollinators. Students in the club plant a variety of flowers, fruits, and vegetables, and take pride in watching their work grow and thrive throughout the year.

The Garden Club meets **every Monday after school for one hour**, and all students are welcome to join—no gardening experience needed!
