- Feedback from parent Jennifer Butler is that the kids love the monthly attendance awards and are happy to have their progress recognized.
- Amrit Diaz, student member, contributed that nutrition breaks are very helpful. Most kids don't bring snacks so having a snack provided is great
- Jennifer Butler inquired as to whether all schools in the area are doing PBIS. She followed with a question as to its helpfulness. She added that it "sounds like a theory, not a practice" She expressed that PBIS needs student/parent involvement and asked how the parents are supposed to continue the practice at home, saying that there needs to be a home to school connection such as Nurtured Heart. She added that county training, like "Placer Learns" or "Understanding the Teenage Brain", which are free, would be helpful.
- There was a discussion about Safe & Civil (CHAMPS).
