

THE DAILY DAWG

Playoffs This Week!

Playoffs are upon us! The girls soccer and basketball seasons have come to a close. On Tuesday the varsity girls basketball team traveled to Yreka and while it was a close game, they lost 60-53. We're proud of the hard work all our girls put in this winter season. The boys soccer team plays Pierce TODAY at home for the first round of playoffs at 3:00. Their current record is 14-2-4. Let's secure that win boys! The boys basketball team is playing on Friday against Colusa at home. Their current record is 22-4 and they're entering playoffs as the BVL champions. Last season the boys won the section championship and we're hoping to see them do it again! We need big crowds tonight and tomorrow to support our athletes! This weekend wrestling has masters and we want to wish them all good luck!

Playoff Interviews

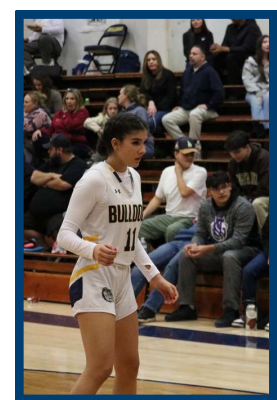

Karam

I think the varsity team will win the section championship again. The team is looking very good this year. I also believe it will be a good game this Friday.

Jacob

I believe playoffs will go well this year. We have put in a lot of work leading up to this moment to prepare us.

Sophie

My experience with the team this year was great! I had a lot of fun, and everyone on the team was very positive. Having some girls from JV be pulled up was so exciting, they did amazing and brought a lot to the team!

Attention CSF!

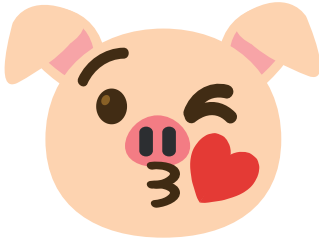

Photos of the Week

There is homework club every Wednesday in room 210. In order to stay a CSF member you need to have 4 events. Homework club is just one of them. Another way to get an event is going on a field trip to colleges. Mr. Stark has planned on going to UC Davis, Sacramento State, and Chico State. Want to go to the college tours see Jasmine in the office to sign up! If you haven't paid your \$10 dues you have this week to deliver your money in Mr. Stark's room 210.
