*To inspire each student to
extraordinary achievement
every day*

May 22, 2026

To Staff and Our Twin Rivers Families,

We have two weeks left in the school year, and looking at my calendar, it feels like the days are moving faster than we can keep up with. What we do in that time matters.

In the rush of final projects, end-of-year events, and packing up classrooms, it's easy to look ahead to summer. But these last two weeks are an incredible opportunity to slow down and celebrate how much our students have grown. Our focus right now is on finishing strong—not just academically, but as a community. We want our students to cherish these final moments with their peers, teachers, and school staff, transitioning into summer feeling proud, capable, and deeply supported.

We know we didn't get to this point alone. Today, we are so grateful for the community that rallies around our students. Every late-night homework session parents pushed through, every extra hour our teachers put into a lesson plan, and every word of encouragement shared across our schools has been vital to our students' success.

Thank you to our staff and families for everything you do for our students every single day. Let's make these final two weeks count!

2026-2027 Elementary and TK-8 Expanded Learn Athletics Program

Online registration for the 2026–2027 Elementary and TK-8 Expanded Learning Athletics Program opens at noon today (May 22). This year's program features seven sports for TK-8 students to enjoy throughout the school year, offering skill-building opportunities that support teamwork, confidence, and school spirit. [Learn more and register here.](#)

Memorial Day

We will be closed in observance of Memorial Day on Monday, May 25. This day is a time to honor and remember those who have died in military service to our country. We will resume normal operations on Tuesday, May 26—the day of our first high school graduation ceremony! [Here's our Graduation Schedule.](#)

Wishing you a safe and restful three-day weekend.
