

## WCHS Principal Board Report 5-1-2026

- We've had two more seniors complete all required credits this month bringing our total to 4 total graduates so far, with 4 more students close to finishing
- Our monthly refuge trips continue to be a highlight:
  - Students are seeing different bird species and habitats as the seasons change
  - These trips provide great hands on learning experiences
  - A big thank you to Kaitylyn Swihart for making these opportunities possible
- Students have also been able to attend community and enrichment events:
  - Traveling to Chico to see SpongeBob the Musical at Laxson Auditorium
  - These experiences help connect students to the arts and broader community
- Overall, it's been a strong month with:
  - Continued academic progress
  - Positive student engagement through real world learning opportunities
